# listen 'runt' - she's mine!

... and this is how Saul looks today

Saul New York "MR. PERFECT PHYSIQUE"

And this is how Saul looks today. Yes, it really did happen. Saul New York was once a skinny 99 lb. 'runt'. He was bullied, pushed around and laughed at...

How about YOU? Are you fed up with seeing other well-built guys walk off with the best of everything while you are forced to stand aside and only watch?

YOU have the same muscles...

No matter who you are... YOU have exactly the same number of muscles as Saul New York. The only difference lies in the way he developed his muscles and you may have neglected yours!

Hercules II gives you REAL muscles fast!

Let us prove that we can give you the kind of super-build and vital strength that needn't take "back talk" from anyone. Hercules II is a fantastic 'revolutionary new secret' muscle-building course that can give you the kind of Super Body you always wanted. Fat or thin, young or not so young, you really can 'Muscle-Up' with these secrets. No special apparatus needed and only a few minutes a day in the privacy of your room does it!

Think about it!

Imagine walking down your neighbourhood beach, or swimming area... S-T-R-I-P-P-E-D. What would others think of your huge, sweeping, deeply muscled chest? How about your 'barn door' back, etched with powerful muscles like the rocky mountains? And those titanic, tireless legs which bounce into beautifully, shaped curves of defined muscle with every stride.

Or your 'yard wide' manly shoulders? Your narrow hips, your rock hard stomach muscles that can 'take' any punch when you tense them? But most of all imagine how your arm will look! Just hanging by your side it looks great, but for a real 'experience' just flex for a buddy and watch his eyes boggle... He will hardly believe the high-peaked Biceps... your 'steel tough' forearms... and your rippling He-man strength...

All you have to do...

Simply fill in the enclosed coupon like Saul New York did not so very long ago. Mail it and we will send you absolutely free our famous picture-book detailing how you can get started with Hercules II.

Make something of yourself by grabbing this opportunity. TODAY - NOW!

# NOW THE WORLD'S DEADLIEST FIGHTING SECRETS CAN BE YOURS...

THE SUPREME GRAND MASTER OF THE  
**BLACK DRAGON FIGHTING SOCIETY**  
brings you the forbidden secrets of

## DIM MAK

"The Death Touch"  
in this exclusive book!

### "THE DEADLIEST MAN ALIVE!"

Bringing to you these forbidden and secret fighting arts is the Supreme Grand Master of all the fighting arts — Count Dante who won the World overall Fighting Arts championship (Master & Expert Divisions) after defeating the top Judo, Boxing, Wrestling, Karate, Gung Fu, Aikido, etc. masters in 'Death Matches'. On Aug. 1, 1967 the World Federation of Fighting Arts crowned the Count — "The World's Deadliest Fighting Master."

### THIS BOOK CAN SAVE YOUR LIFE

The FORBIDDEN and SECRET training manual of the BLACK DRAGON FIGHTING SOCIETY has never before been available to anyone outside of the Society. Recent attempts for regular publication and public exposure have been rejected as the contents were considered HORRIFYINGLY DANGEROUS and BRUTALLY VICIOUS.

Yes, this is the DEADLIEST and most TERRIFYING fighting art known to man — and WITHOUT EQUAL. Its MAIMING, MUTILATING, DISFIGURING, PARALYZING and CRIPPLING techniques are known by only a few people in the world. An expert at DIM MAK could easily kill many Judo, Karate, Aikido and Gung Fu experts at one time with only finger tip pressure using his murderous POISON HAND WEAPONS. Instructing you step by step thru each move in this manual is none other than COUNT DANTE — THE DEADLIEST MAN WHO EVER LIVED.

#### BLACK DRAGON FIGHTING SOCIETY

The BLACK DRAGON FIGHTING SOCIETY is the WORLD'S DEADLIEST FIGHTING ORGANIZATION which has included in its closed membership the top fighting experts of the DREADED CHINESE TONG SOCIETY — the oriental, and more vicious counterpart of the Mafia. Its members, who are the world's top Masters in the oriental fistic and grappling arts, train in the most SECRET and FORBIDDEN aspects of the DEADLY Chinese fighting arts of GUNG FU, TAI CHI CHUAN, CHUAN-FA, KEMPO, HSING YI, PA-KUA, SHAOLIN BOXING and DIM MAK.

Until recently the forbidden training secrets of the society have been closely guarded by the members who were sworn to secrecy and joined together thru their initiation ceremony of blood. Breaking of the oath to secrecy meant death by torture to the offender.

Now for the first time their FORBIDDEN SECRETS OF TERROR can be shared with you.

#### BREAK A BRICK

Included in the manual is a GUARANTEED method of brick and board breaking enabling anyone to break a brick or board after only minutes of training. THIS IS NO EXAGGERATION. THERE IS NO TRICK OR GIMMICK. There is nothing to be held in the hand, or any hand brace needed; and no special stunt bricks or boards are needed. This is the same method that many famous Karate Masters use.

#### POISON HAND

Considered by many as evil and cruel; the lethally savage ripping, tearing, slashing, clawing, and gouging techniques which comprise

the POISON HAND ARSENAL are used to attack (by strike, touch or pressure) the nerve centers, pressure points, major blood vessels and vital organs of the body. You will learn the original 77 "POISON HAND" techniques of ancient China in actual photographs showing them in application. These are not photos of drawings, but actual photos of COUNT DANTE applying these torturing techniques which are meant to maim, disfigure, cripple or kill and have been used by oriental terrorists and assassins to MURDER!

#### OUR \$10,000 GUARANTEE

We cannot guarantee to make you a Fighting Arts Master or even an expert, as this is up to you; but we can make a \$10,000 GUARANTEE that this book is DEADLIER than any other book, manual or course ever printed anywhere, at any cost and that it was, as mentioned before, refused for past publication due to its extremely FEROCEOUS nature. We also guarantee that the "WORLD'S DEADLIEST FIGHTING SECRETS" contains the most SECRET and FORBIDDEN attack and defense methods ever devised by man and that the DIM MAK and POISON HAND techniques are completely authentic and the WORLD'S DEADLIEST FIGHTING FORMS. Last we guarantee that you can break a real, authentic brick or board WITH NO GIMMICK — just your hand, using our method AFTER ONLY MINUTES OF TRAINING. If you are not satisfied; return the book in good condition and you will receive a refund. MAIL COUPON NOW! AIR MAIL REACHES US OVERNIGHT.

# We'll train you in your spare time for an exciting OUTDOOR CAREER

THOUSANDS OF JOBS OPENING UP IN FISH AND WILDLIFE MANAGEMENT,  
PARKS AND OUTDOOR RECREATION, FORESTRY, ETC.

"Thank you for your great course. I highly recommend your school to anyone interested in the field of conservation. I have taken the Civil Service test for Conservation Inspector for the state of Illinois, and received an A for my final grade."—George E. Wood, Illinois.

These patches represent outdoor careers for which the National School trains you; not the official patches of any State, Federal or private Conservation service.

Why spend the best days of your life punching a time clock in an office, store or factory — when you may be able to qualify for one of the thousands of new jobs that are coming up in the great outdoors because of concern for conservation and ecology.

## Imagine getting paid for work you'll enjoy

Don't settle for only occasional hunting, fishing and boating trips. Live and work right next to nature — in real *man country* — all year round. Every year there are new openings in State and National Parks, the forest industry, game refuges and preserves, private hunting and fishing clubs and recreational facilities.

## Here's how you can qualify . . . Start now!

The National School of Conservation will help you prepare at home, in your spare time, for an exciting outdoor opportunity. This accredited train-at-home program has been created by experts in the field of conservation. These men have years of on-the-job experience . . . and they share it with you, through every step of your training. You can even keep your present job as you learn at home . . . working at your own pace. National School of Conservation is America's oldest established and accredited home-study conservation school: so you *know* you're in capable hands. When you graduate, National School will assist you in contacting public and private conservation organizations and help you explore available job openings.

**Good Pay . . . Job Security . . . Low Living Costs —  
a great combination!**

You can earn a good living, with advancement possibilities

and raises based on seniority and performance. As a bonus, some jobs include uniform allowances, hospital insurance, pension plans, vacations with pay . . . and your paychecks come through regularly — good times or bad.

## You only live once . . . make it a life of adventure

The man who wears the insignia of a forestry, conservation, wildlife or park agency is a man of *action* called upon to rescue people in danger . . . to enforce our laws and protect our wildlife . . . to direct citizens in time of emergencies . . . even lead fire fighting crews. What's more, the conservationist has the satisfaction of knowing that he is serving his country . . . safeguarding her forests, parks, ranges and wildlife. Future generations will be grateful to him for preserving the natural beauty of our American heritage.

HOW YOU CAN USE

# ISOKINETICS

A REALLY NEW BREAKTHRU IN MUSCLE BUILDING!!!!

Scientific Test PROVES Isokinetics  
166% Better Than Weights  
390% Better Than Isometrics  
For Putting Muscle on YOU!

Weight lifting has been the traditional method for training "Mr." contestants and athletes in all sports. But isokinetics has been *proven superior* to weight training for building your strength, your body, and your explosive power. *faster and more effectively* than ever possible before. Here's why:

During each Isokinetic exercise, you continually change the "weight" to the amount that your muscles need for fastest maximum development. (With a barbell you can't change the weight until after the exercise.)

"Sounds great," you say, "So how do I get started, and how much is it going to cost me?"

Until now, the only isokinetic exercisers available were complicated machines costing from \$150 to over \$4000. But NOW! A NEW invention, amazing in its

beautiful simplicity, puts isokinetic muscle building within your reach for only a few dollars.

## Powerex - Isokinetics

The invention is POWEREX! It is a pure isokinetic exerciser designed to give you the ultimate benefits of muscle, strength, and explosive power in a hurry. And, as you know, with these benefits come the added benefits of confidence, virility, and the outgoing personality that enables you to get along well with others of both sexes.

POWEREX is going to do all this for you through the following isokinetic principles:

1) POWEREX builds your muscles through their full range of movement. It works every small muscle fiber to its utmost. Not the grunt-and-groan partial static results of an isometric gadget, but the total dynamic power of isokinetics!

2) POWEREX has the exclusive CONTROL GRIPS. You instantly and smoothly change the amount of "weight" working for you, to the maximum your muscles can handle... from zero to hundreds of pounds, quickly building your

other method.

4. Many of the professional football teams (colleges and high schools too) are now using isokinetics, and others are quickly following.

5. Two athletic trainers say that isokinetics combines the best of isometrics and isotonic (e.g., weight lifting) into one.

6. You would think that a weight lifter would really be at peak strength after nine years of training and competition. This nine-year man then tried isokinetics. Only ten weeks later he had increased his all around strength by 26%!

7. Other claims for isokinetics include (a) no adjustments of the equipment necessary, (b) no warmup needed, (c) little or no muscle soreness, (d) impossible to overwork or strain, (e) no energy wasted trying to control heavy weights while you lift them.

345# 295# 240# 255# 280#

Changing the weight resistance at any instant **during** the exercise??? **Without stopping** to do it??? Yes!...this is the isokinetic principle, which builds your body to athletic proportions faster than any other method! Your POWEREX isokinetic exerciser is shown adding the inches of chest and arm muscle in a "bench press" ...but **without** expensive bench, weight stand, and weights! (Patent Pending)

body into a classic, powerful machine!

## Illustrated Wall Chart, Courses

POWEREX is safe and light, two pounds. POWEREX is compact, quick and easy to use, anytime, anywhere. At no extra cost, you also get a big 20x28 inch wall chart with illustrations and instructions. Several courses are described... for increased strength, bigger muscles, or turning fat into muscle. One course takes only 15 minutes a week.

## Money-back Guarantee

The parts and workmanship are guaranteed for one full year from date of purchase.

AND: If you are not satisfied with your POWEREX for any

reason whatsoever, just send it back within 14 days of receipt for an immediate full refund of your money... no questions asked.

Finally, the best part is that POWEREX will cost you only \$11.95 (plus \$2 for postage and handling)! Right! For less than 1/10th the cost of the next expensive isokinetic exerciser on the market, the benefits of isokinetic muscle building are yours!

So don't wait another moment... fill out the coupon, write your check or money order, and get it in the mail now. The sooner you do, the sooner you receive your POWEREX and start the isokinetic way to a muscular body and dynamic power!

## HERE'S PROOF:

The following information comes from several recent (1971-72) U. S. athletic coaching journals. Copyright laws prevent us from using names for profit, but the information is authentic.

1. Several experts conducted a scientific experiment. It showed that the average peak strength improvement after only eight weeks, for each type of exercise, was:

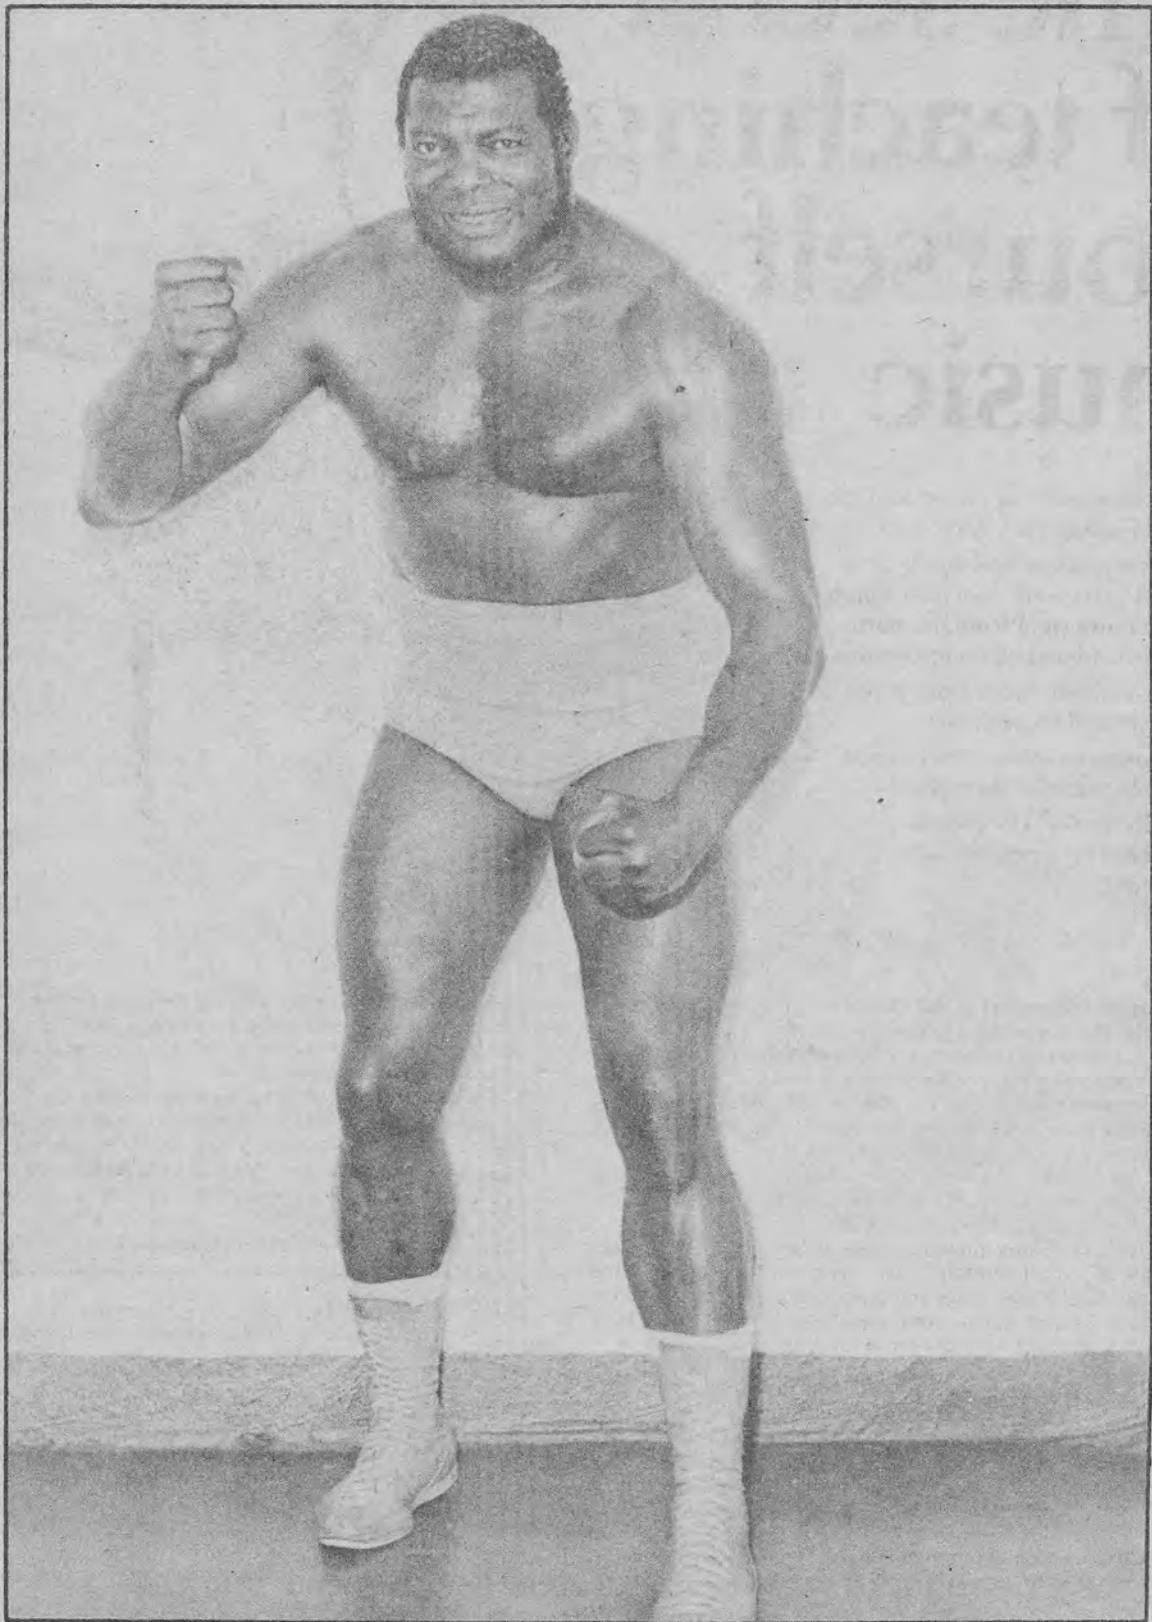

Isokinetics	47.2%
Weight Lifting	28.6%
Isometrics	12.1%

2. One group of researchers stated that all published research matching isokinetics with weight lifting and isometrics showed that isokinetics is greatly superior for muscle building.

3. The coach of a U.S. multi-gold medal winner in 1972 Olympic swimming claims that strength improves faster with isokinetics than with any

# The secret of teaching yourself music

Why keep depriving yourself of the thrill of making your own music?

Here's a pleasant way to learn at home in spare time. You play simple familiar tunes right from the start, then more advanced compositions.

Choose piano, accordion, guitar, any of several instruments.

No gimmicks—you learn to read notes, play regular sheet music.

It really works! Thousands now play who never thought they could.

It may seem odd at first — the idea of teaching yourself music. You might think you need a private teacher at \$4 to \$10 per hour to stand beside you and explain everything you should do — and to tell you when you've made a mistake.

But surprising as it seems, you need no such thing. Thousands of people just like you have taught themselves to play by using the lessons we give by mail. And you can too.

With our lessons, you learn to play the right way — by note from regular sheet music. Without any gadgetry or gimmickry. And all it costs you is just pennies a day.

You don't need any previous musical training. Our lessons start you off "from scratch" with clear word-and-picture instructions. A lot of the songs you practice first are simple tunes you've heard many times. And since you already know how these tunes are supposed to sound, you can tell immediately when you've "got them right."

Then you go on to more advanced pieces. By this time you can tell if your notes and timing are right, even without ever having heard the songs before. Sooner than you might think possible, you'll be able to play whatever kind of music you like. Folk. Popular. Classical. Show and dance tunes. Hymns.

You learn in your spare time, in the privacy and comfort of your own home. There's no one standing over you to make you nervous. And because you teach yourself, you can set your own pace. You're free to spend as much time mastering any lesson as you wish.

It's really a marvelous way to learn. As recent graduate Mrs. Norman Johanson wrote us, "My daughter has taken lessons for 8 years from a private teacher, and now she asks me questions about some of her lessons. How very proud I feel when she says to friends, 'You've just got to hear my Mom play!'"

Others also enjoy her playing, Mrs. Johanson reports. She

plays for herself to relax after a trying day, and for her husband when he's tired. She also plays for friends when she goes to parties. "In a sentence," she says, "it's the most soul-satisfying thing that has ever happened to me."

If you've ever dreamed of being able to play the piano, the guitar, or some other instrument, why not learn more about our convenient, economical way to learn? Send for our free booklet *Be Your Own Music Teacher*. With it we'll include a free Piano "Note-Finder." There's no obligation. ## WHAT IS IT?

In your article entitled "Did Pedro Morales Use Brass Knucks On Don Leo Jonathan?" (THE WRESTLER/Sept. '73), I am concerned with one of the pictures. In the photo directly below the title there seems to be what looks like a pair of brass knucks flying off Pedro's hand. I seriously doubt that it is brass knucks because the great W.W.W.F. champion can beat anyone without brass knucks. If they are brass knucks they probably came from Jonathan. Please straighten me out on what's flying through the air.

DAVID LOPATIN  
Baltimore, Maryland

**Editor's Note:** In answer to the many letters received about this story, we cannot identify what it is that's flying out of Pedro's hand. They do look like brass knucks. However, it was Jonathan—not us—who charged Morales with using brass knucks.

## HE KNEW IT

I knew Harley Race just lucked out when he beat Dory Jr. for the title. And Jack Brisco lucked out because he wrestled Race when he had the title. Brisco wrestled Dory Jr. 100 times and couldn't win the title from him. But he wrestles Race once and wins it on a fluke. Race was a fluke champion and so is Brisco. Brisco won't be the real champion until he pins Dory Funk Jr.

MIKE CARBO  
Tucson, Arizona

## DOESN'T BELIEVE IT

Billy Graham must think we're all a bunch of idiots. Why else does he expect us to believe that Chief Wahoo and Crusher attacked him in his dressing room? If he suffered any damage I'm sure it happened in the ring.

PHIL RUGGER  
Council Bluffs, Iowa

## RIGHT ON, BILLY!

Tell 'em, Billy. You're damn right the other wrestlers attack you be-

*Is N.W.A. king Jack Brisco (above) a "fluke" champion? Billy Graham (below) insists that he was attacked by wrestlers who are jealous of "my beautiful body."*

cause of jealousy. Who the hell's interested in a fat Indian and a blond balloon like McDaniel and Crusher. Every wrestler who wrestles you "is jealous of your gorgeous face and great body." That's why they hate you so much. But don't let them bother you, Billy. All the girls in my class think you're really together. Since you wrestle in the midwest we can only follow your career in magazines. But if you ever come east—where your real fans are—we'll tear apart those jealous idiots. Right on, Superstar!

SUELLEN FLEISHER  
Wayne, N.J.

## WRONG HAND

I was shocked when I saw those brass knucks in Pedro's hand. But then I realized something. They were in his right hand. Pedro's a lefty. If he was going to wear brass knucks—he'd wear them on his left hand. I think the picture fooled you too.

# You Can Work For Law Firms! BE A LEGAL INVESTIGATOR

**Universal Graduates Find Success  
In Legal Investigation**

## "Every Financial and Personal Reward..."

"This career offers every financial and personal reward," writes Fred C. Koerner, Jr., one of the nation's leading Legal Investigators.

"The Legal Investigator is a man whose work is to seek the truth, to discover facts. He never has to question the value or meaning of his job. The variety of experience is exciting. The association with attorneys, the courts, the law is deeply satisfying. And the security of the profession is sound because of the constantly growing need for trained Legal Investigators throughout the nation."

## Universal Graduates Comment on Their Careers In Legal Investigation

DUBOIS

"Thanks to Universal for a start in a most interesting and rewarding career. There is certainly nothing lacking in your training."

Robert Dubois, Illinois

WILLIAMS

"Thank you for the wonderful training. I now have my own successful business."

James Williams, Kentucky

"If it had not been for Universal Schools, I would not be presently employed as a Legal Investigator."

Bill H. Young, Texas

"Your school gave me the front door to success. I have a growing business."

A. L. Goan, Tennessee

Think what this career could mean to your life and income: You are a key employee of influential law firms. Your friends and associates are leading trial attorneys. Dramatic court actions may turn on evidence you discover. You are surrounded by the prestige and power of the legal profession—in perfect position to become one of the top earners in your community.

These tremendous advantages can be yours soon if you train now to be a Legal Investigator. Legal Investigators are men who are especially trained to handle pre-trial investigations for lawyers.

## You Search For Truth

As a Legal Investigator you gather the evidence, the witnesses, the facts the attorney must have before he goes to court or attempts to settle a lawsuit.

Your fascinating job is to search out the truth—the whole truth—in a lawsuit; your work is a pursuit of justice.

## Widespread Need For Trained Men

Today there's a growing need for many more trained Legal Investigators wherever lawyers practice—in cities, towns, rural counties. Here's why:

More lawsuits are being started now than at any time in legal history. Good trial lawyers are overwhelmed with work. Courts are clogged with cases. Tens-of-thousands of new lawsuits are started every year.

Every case requires days, weeks, even months, of pre-trial investigation. Busy trial lawyers no longer have time to do all this work alone. They need the help of trained Legal Investigators. That need means rare opportunity for you.

## Train At Home In Your Spare Time

You can rapidly qualify to be a Legal Investigator through spare time study at home. You simply read fascinating lessons mailed to you from Universal Schools, largest training organization in the field. No college or experience required.

## Free Book Tells You How

# NEWS FROM THE WRESTLING CAPITALS OF THE WORLD

## WISCONSIN WILDNESS

By John Weber

**G**REEN BAY FANS jammed the Brown County Arena to see a great card.

The first match pitted villainous Rene Goulet against the scientific ability of Geoff Portz. At the bell Portz rushed out of his corner ready to do battle. But Rene wanted no part of it. He told Portz, "Lay one hand on me and I'll leave the ring!"

Geoff laughed in his face and said, "Did you come here to stare at me?" Finally, when Rene had Geoff off guard with his antics, he kicked and stomped him.

*Geoff Portz (below) airplane  
spinned Rene Goulet into sub-  
mission. Ivan Koloff (right)  
taught Ken Patera a lesson  
and handed him a rare defeat.*

Geoff didn't take much of that. He retaliated and gave it back to Rene in triplicate. Then he tossed Rene into the ropes and on the rebound clamped him in an airplane spin. That was all for Goulet.

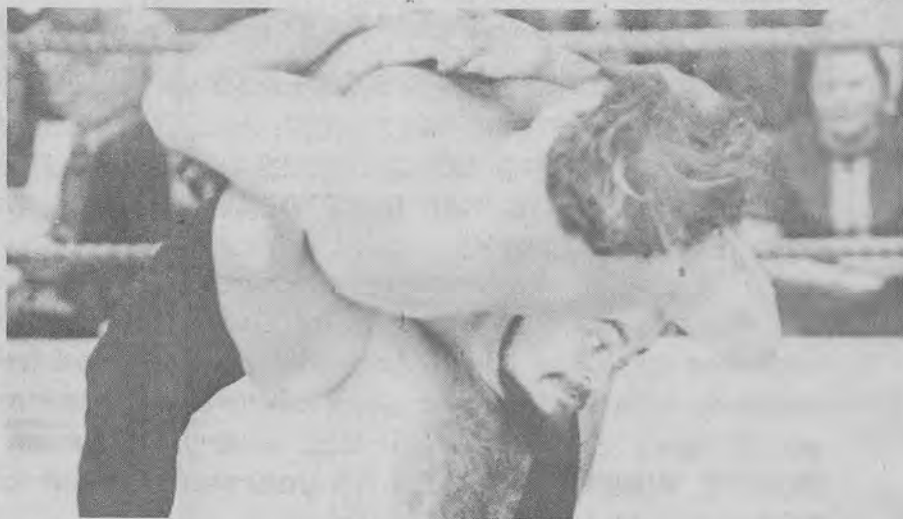

The next match saw Ken Patera take on Ivan Koloff. During the melee, Ken caught Ivan in a bearhug, which happens to be Koloff's favorite hold. Ivan poked his finger in Ken's eyes and he was forced to release him.

The end came when Ken tried to lift Ivan while the Russian was winded. Ivan kicked his feet and landed on top of Patera for the sur-

prising end. the early moments by fouling the champ every chance he could. Then he picked Verne up and threw him out of the ring, onto the floor.

After five unsuccessful attempts to re-enter the ring, Verne finally got past Billy and showed him why he's champ. He jolted Graham with a spectacular series of flying drop-kicks and headscissors and then maneuvered him into his famous sleeper hold!

Billy, not one to give in, back peddled into the turnbuckle with Verne on his back, still applying sleeper pressure. Verne screamed out in pain as Billy back slammed

prising end.

In the main event, Ray Stevens and Nick Bockwinkle wrestled to a no-contest against Crusher and Wahoo McDaniel.

## WINNIPEG WRESTLING

By Bill Hannig

A.W.A. champion Verne Gagne came out on top in a grueling match against Billy "Superstar" Graham.

Graham dominated the match in

him into the turnbuckle, forcing Verne to release the sleeper.

Next Graham went for the kill by punching and kicking the champ. Then he picked Verne up for a body slam but the cagey champion simply shifted his weight and Billy fell backwards with Gagne on top! The referee counted! It was all over!

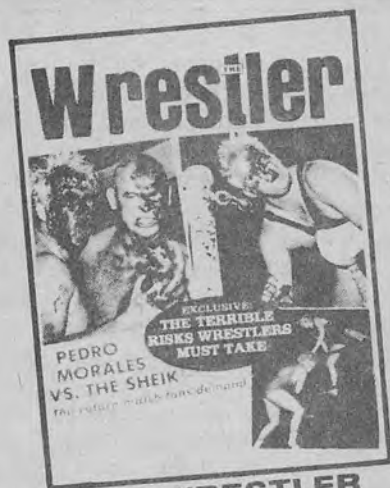

Ivan Koloff, Graham's steady tag team partner, came storming into the ring to protest.

"He get fast count!" the Russian

# EYE ON THE MAT WORLD

*Right: Russian strongman Ivan Koloff spruces up for his title match against Verne Gagne by lifting a 50-pound barbell. He can press it almost a hundred times before getting even slightly winded. Ivan can lift much more than 50 pounds. He's won numerous awards for pressing over 300! Ivan's noted for always keeping himself in condition.*

Nowhere else will you find such in depth picture coverage as in **THE WRESTLER, INSIDE WRESTLING, WRESTLING YEARBOOK AND WRESTLING ANNUAL**, the largest selling wrestling magazines in the world.

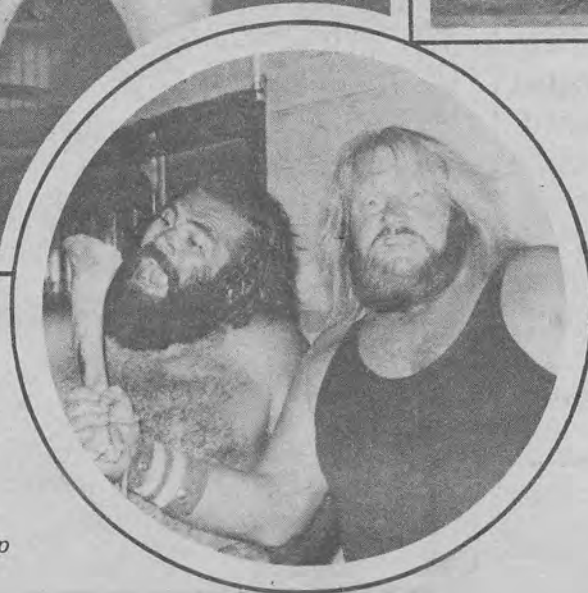

## EYE ON THE MAT WORLD

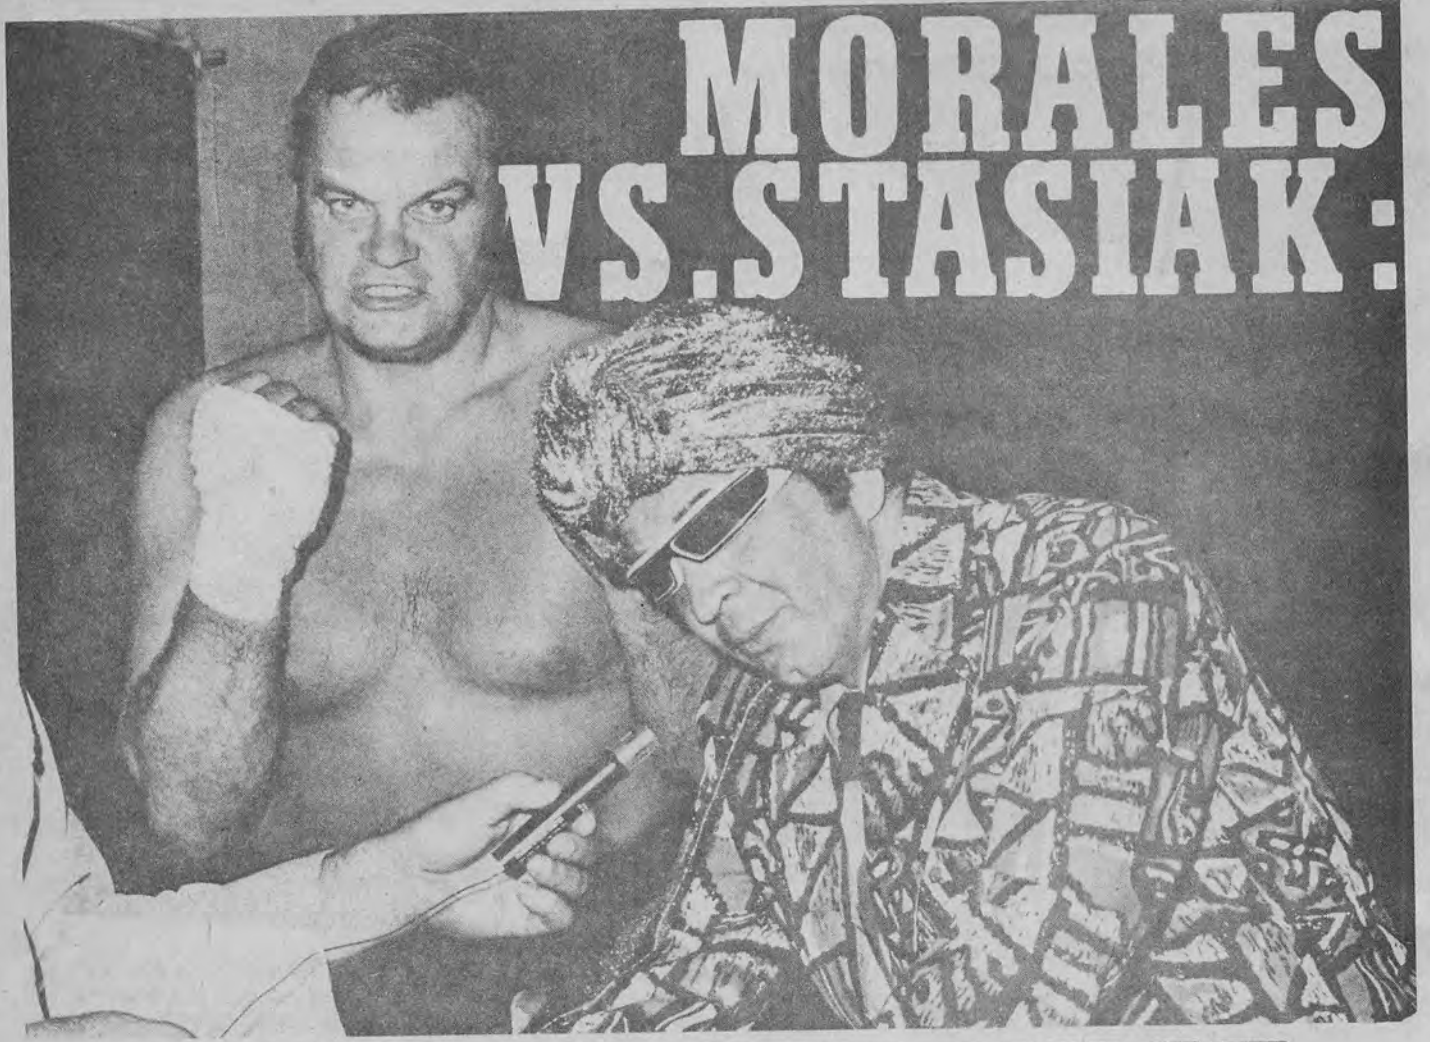

Left: Atlanta promoter Paul Jones tells Bobby Shane, "This is what you win if you beat Jack Brisco." "My crown's worth more than that hunk of junk," Shane shot back. Below: John Wayne? Heck no. It's Abe Jacobs! That's right. One of Abe's favorite pastimes is riding his horse and spinning a lasso. Abe's got his own western ranch.

Above: Even with shoes on it's easy to recognize The Amazing Zuma. The acrobatic expert has been on a world tour and now he's back in the U.S. "My shoes will come off soon," reports the previously barefoot Zuma. His feet were injured in a mishap in a European accident.

Left: While Eric The Animal threatens to hit our photographer with his bone, The Canadian Wolfman begins to gnaw on it. "It keeps our teeth strong," Wolfman said. As seen in some of their tag team matches, the bone also comes in handy as a weapon. Eric and Wolfman are one of the most vicious duos ever.

# MORALES VS. STASIAK:

## THE BATTLE THAT WOUND UP IN COURT!

**Y**OU WOULD THINK that after a grueling 45-minute match against one of the toughest challengers he ever faced, Pedro Morales would be happy to have retained his W.W.W.F. heavyweight championship.

He wasn't.

You would think that after a match in which he wrestled the champion dead even and was neither pinned nor disqualified, Stan Stasiak would be happy.

He wasn't.

You would think that after training and conditioning his man to give the W.W.W.F. champion perhaps the toughest title defense he ever had, the Grand Wizard would be happy.

He wasn't.

In fact, when Pedro Morales and Stan Stasiak tangled before a capacity crowd at New York's Madison Square Garden, nobody was happy about the outcome.

What happened was this.

Morales and Stasiak wrestled for 45 minutes on about even terms. If anything, Morales according to most observers, might have had the upper hand. However, the curfew bell prevented either man from gaining a

decision. Obviously, the match would be declared a draw.

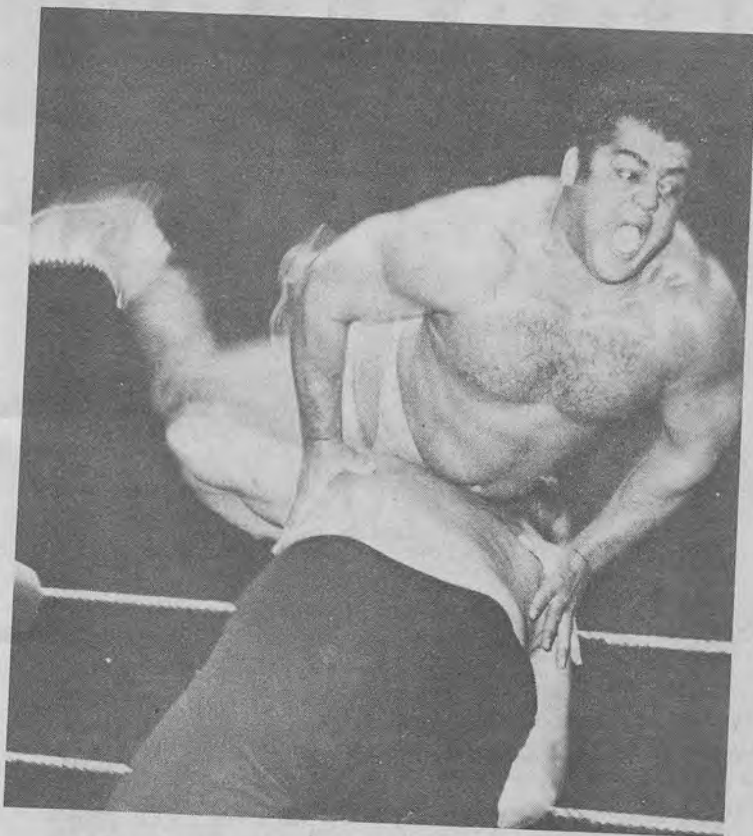

That's what Morales thought. That's what Stasiak thought. That's what the Wizard thought. They were all wrong.

Ring announcer Bob Freed announced that by a decision of the judges, Morales was the winner and therefore retained his W.W.W.F. belt.

"Judges!?" screamed the Grand Wizard. "What judges? Who ever

**Neither Stan Stasiak nor Pedro Morales were happy about the way their W.W.W.F. title match ended. Then the Grand Wizard decided to do something about it**

After whipping him into the ropes, Stasiak flips Pedro high into the air (left) on the rebound. When Morales gets up, Stan "The Man" locks him in a painful abdominal stretch (below) just seconds before the curfew.

heard of judges? What's going on?"

"Judges?" Stasiak asked, his confusion obvious. "Nobody told me about any judges."

Even Morales seemed puzzled—but he wasn't arguing. "I didn't even know there were judges for things like this," he later confided.

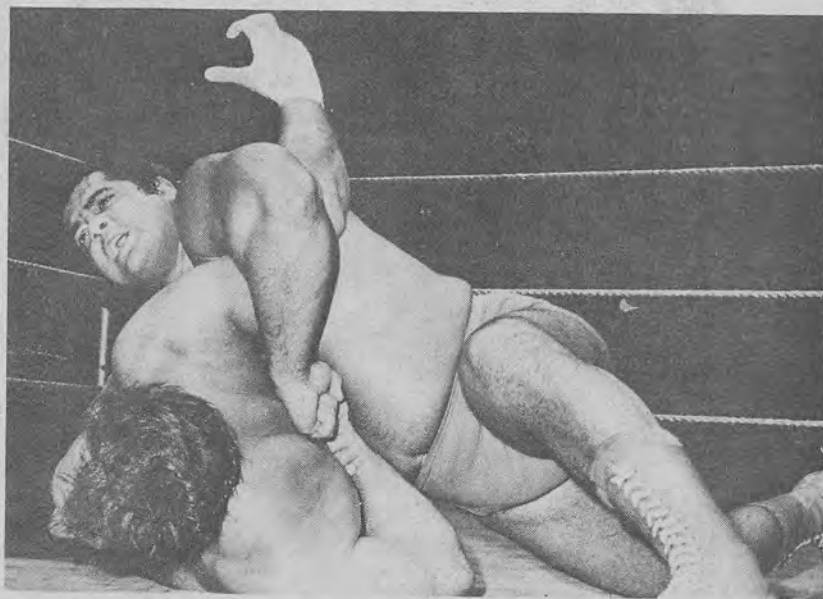

What seemed so strange to the three was a New York State Athletic Commission ruling stating that in the event of curfew interrupting a championship match the judges at ringside shall be empowered to make a decision and award one man the victory. The reason nobody'd ever heard of it is because never in the 11-year history of the W.W.W.F. had anything occurred where it was necessary to make use of the rule. The situation simply had never come up!

Wizard wasn't buying it.

"This is a trick!" he roared at a TV audience. "For 45 minutes Stan Stasiak outwrestled chicken-hearted Morales. He was just getting ready to deliver his heart punch which would have put Morales out of his misery."

"But curfew ended the match. Okay. That happens. But we had a clause in this contract stating that if the match ended in a draw we would get a rematch. Suddenly, a group of

judges nobody ever heard of before stand for it!

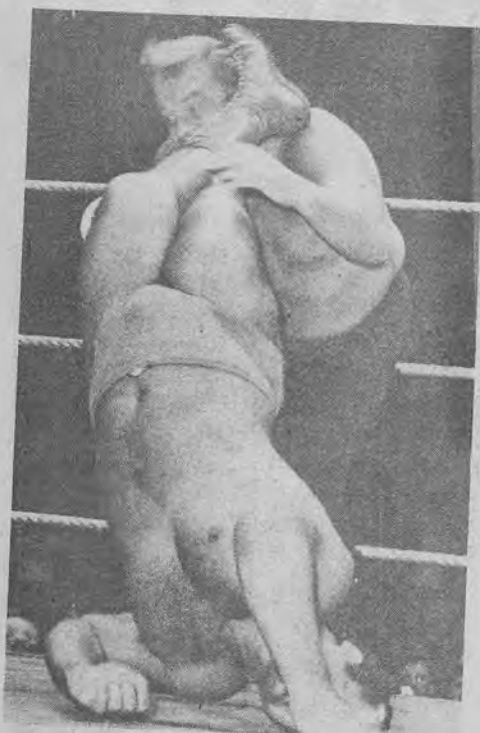

tonight decides Morales is the winner on points! Points? What is this? Boxing? It is obviously a plot to deprive us of a rematch and the Grand Wizard and Stan Stasiak will not

"If necessary," the Wizard added, "I will get a court injunction and prevent Morales from accepting any title matches until we get our rematch."

(Continued)

*Pedro shoulder blocks Stasiak (left) and sends him flying. The champ got out of Stan's painful armlock by flying clear over his head (below) and then reversing the hold and taking Stasiak down!*

*Pedro catches Stan in a flying headscissors (left). "Stasiak outwrestled Morales throughout the entire match," the Grand Wizard claims. "Stan should have won the belt!"*

They can't put one over on the Grand Wizard without a fight!"

Wizard began his campaign immediately. He sent letters of protest to newspapers, magazines, radio and TV stations, the W.W.W.F. and the State Athletic Commission. And he went to court for an injunction preventing Morales from putting his title on the line until the case was settled!

When he heard about that, Morales began to worry. He immediately telephoned his manager, Gorilla Monsoon, to find out what he should do. "Don't worry," Monsoon told him. "I'll handle it."

"I don't like this," Pedro told a reporter for this magazine. "I'm paid to wrestle—not to go to hearings. Look, I wasn't crazy about this decision either. I would have happily settled for a draw and the return

match. Stasiak deserves that much. He put up one hell of a tough battle. He's a rough cookie. But still, if this was the decision, he and Wizard should have accepted it like gentlemen instead of flying off the handle. After all, this is the first time in history that rule had been used. They should have investigated it first before they started accusing me of anything."

"That's easy for him to say!" roared the Wizard. "I wonder how he would've taken it had it gone the other way. But that's all right. I will have my day in court. WE WILL WIN!"

Wizard's petition to the W.W.W.F. was filed, and a week later he, Stasiak and Morales were summoned to a rare joint hearing of the W.W.W.F. and the State Athletic Commission.

Even that was a small victory for the Wizard. Few experts thought either of these groups would even grant him a hearing. Wizard's petition was, evidently, a good one.

The day in court was a hectic one. First Pedro was called to the stand.

"Will you agree to change the terms of the original contract?" an attorney asked.

"Yes sir," Pedro shot back. "I'm willing to wrestle Stasiak a hundred times if that's what he wants."

"Lies! Lies! Lies!" screamed the Wizard from the back of the room. "He's chicken!"

The judge slammed his gavel down on his desk.

"Mr. Wizard, one more outburst by yourself and I'll dismiss the case entirely."

Wizard sunk into his chair and remained silent.

"Mr. Morales," the attorney continued. "Will you agree the decision was unfair and that it should be reversed?"

"No sir," Pedro said. "I feel I won that match since they were judging by points. Mr. Stasiak was good but I outwrestled him."

Wizard was about to deliver another outburst but Stasiak restrained him.

"You may step down, Mr. Morales," the attorney said. "Next we call Mr. Stasiak's spokesman, the Grand Wizard, to the stand."

Passing by Pedro and Monsoon, who was there for moral support, Wizard made his way to the stand. Before the attorney could get a word out, Wizard was pointing the accusing finger at Morales.

"He paid them off! The referee, the judges the..."

Again the judge slammed his gavel down.

"Sorry sir," Wizard said.

"Mr. Wizard," the attorney asked. "why do you wish the decision and the contract changed?"

"Because," Wizard said. "I've never heard of a wrestling match being judged on points. For this reason, and this alone, we want the contract changed."

For the first time in his life the Wizard put something into a few words and made his point. He was asked to step down from the stand after a few more general questions. Then the court rendered its decision.

## FOOTBALL'S SUPER STAR ERNIE LADD SEEMED TO GO BESERK AS HIS HUGE FOOT EXPLODED REPEATEDLY AGAINST THE JOLLY GIANT'S HEAD

**W**HEN BIG NAME bands were in vogue during the late 1930's and early 40's, one of the best tunes played by the late Glenn Miller was 'Mean To Me . . . Why Must You Be Mean To Me?'

Well, the ever-popular Man Mountain must have been humming that tune the night towering Ernie Ladd literally kicked the stuffing out of him in Cobo Hall, Detroit.

The match lasted only about five minutes but they were the most action-packed 300 seconds in years. The odd thing about the match was that not once did they ever lock arms around each other. True, that would have been impossible for Ladd because the 675-pound Man Mountain is as wide as his home state of Tennessee.

The perplexing thing about this particular match is the ferocity in which Ladd used his educated feet. Never before had he been so deliberate and never before did he seem to enjoy punishing a man so violently.

They squared off for a second and then Ladd dropped Man Mountain with a vicious punch to the head. When Man Mountain hit the canvas it sounded as though Mt. Vesuvius had fallen. As soon as he started to get up, in a bent position, Man Mountain became a fat football for gridiron hero Ladd.

Ernie apparently thought he was kicking field goals for his

team, the San Diego Chargers. He booted Man Mountain in the stomach, which sent quivering flesh from his navel to his four chins; then he booted him on the head. The referee warned Ernie about the kicks but the Bad Ladd wouldn't listen.

By this time Man Mountain

was groggy and weaving like a drunk. No doubt he was wondering what the hell Ernie had to kick about. If he thought Ernie's footwork was over for the night, he was dead wrong.

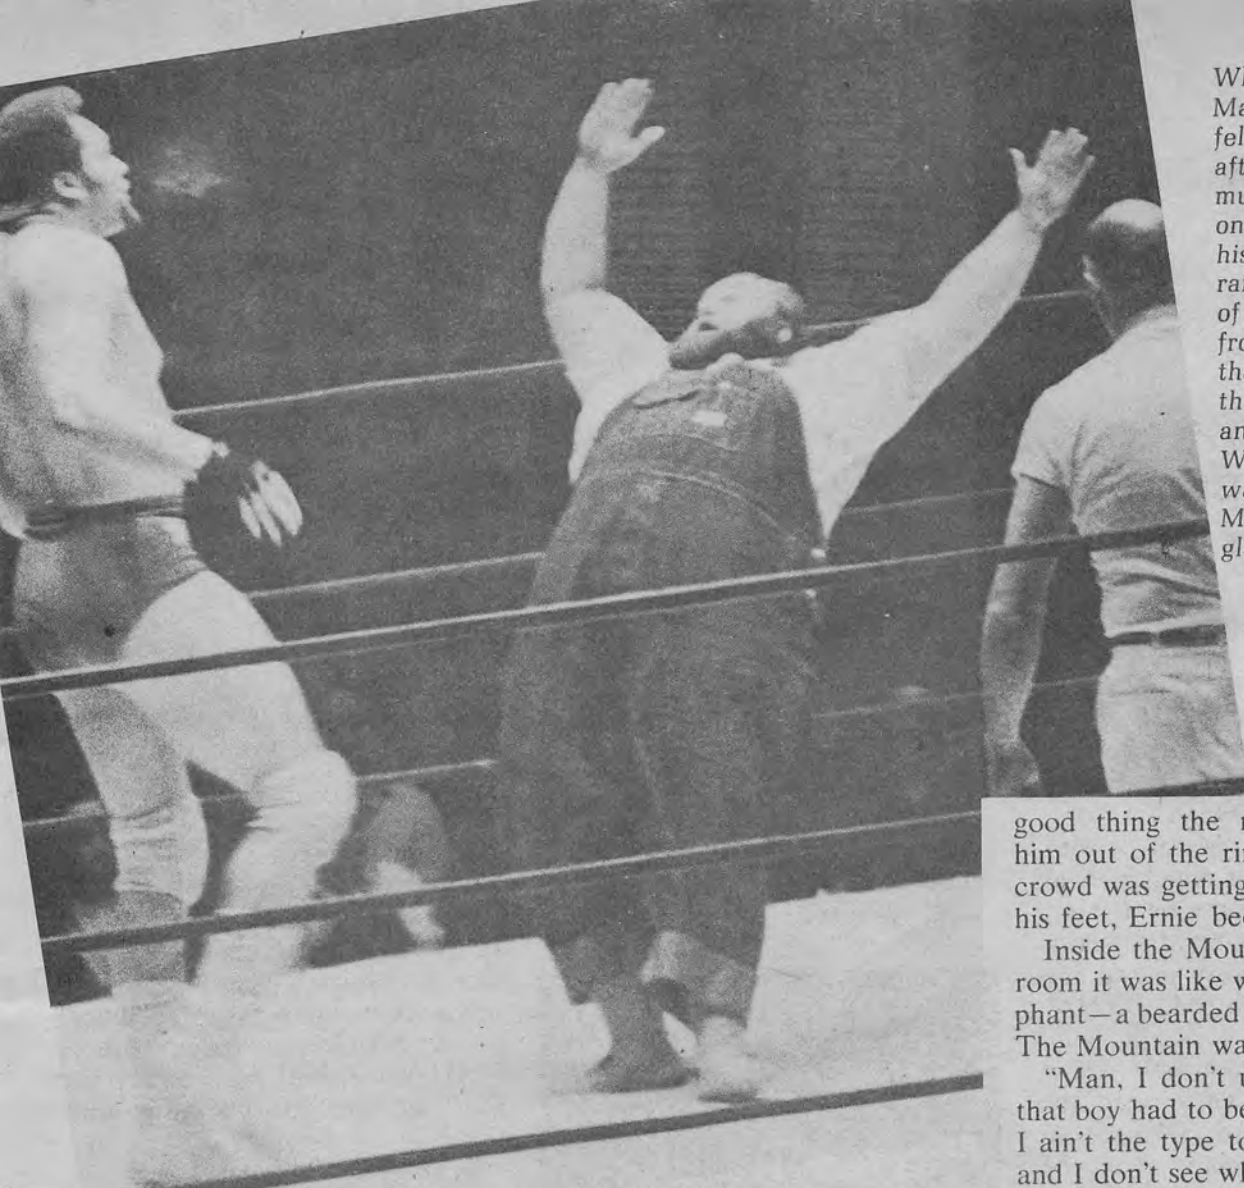

Ladd continued to act like a 325-pound ballet dancer and assaulted Man Mountain with his size 17 brogans. Such beautiful footwork had never been seen before by Man Mountain, who must have been wishing he was back in his Tennessee hills mixing moonshine.

With about four minutes gone in the (mis)match, Ladd added further insult by leaping forward with his two feet and landing on Man Mountain's rubbery belly. It appeared Ladd's feet sank in two feet deep and the loud 'Oooooooo' from Man Mountain could have been heard in Chicago. That took everything out of Man Mountain. He seemed to fizzle, the way a balloon does when the air is let out of it. He was ready for the kill.

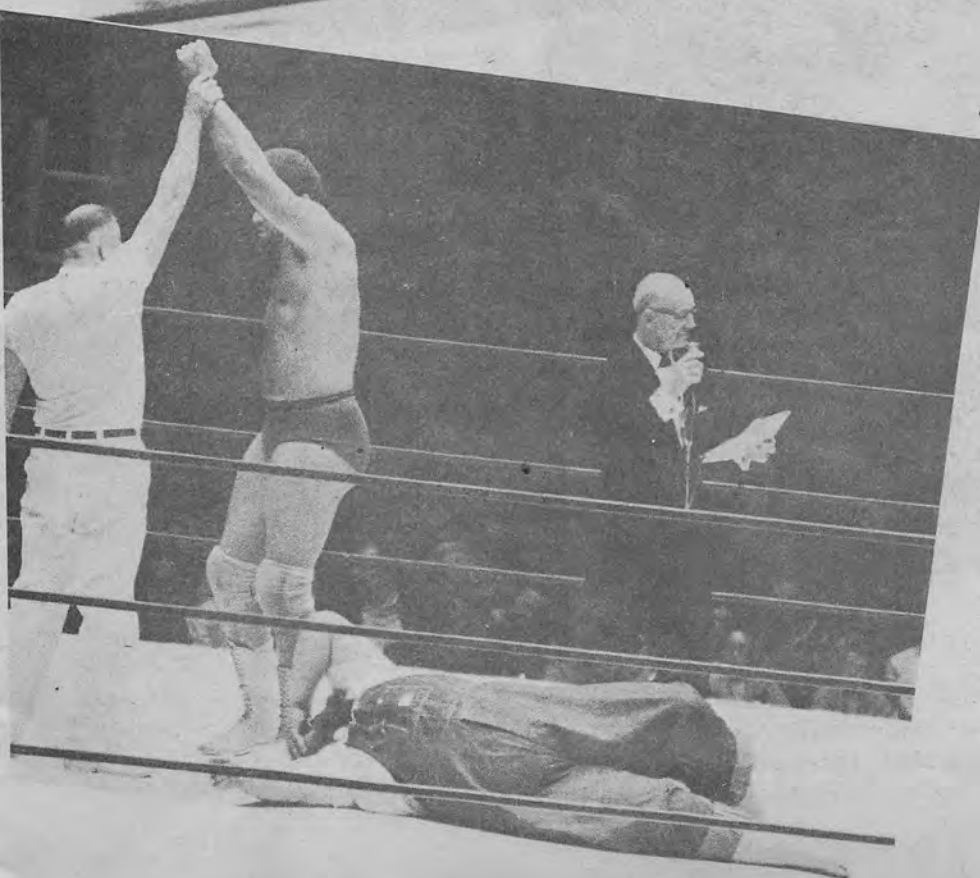

Ladd applied the coup de grace, a vicious, almost karate chop to Man Mountain's whiskers and the referee stopped the "football" match. Ernie, smiling now, couldn't resist getting in one last kick that sent the Mountain sprawling with a boot to the bottom. He almost scored the extra point too, but Man Mountain was too heavy and couldn't clear the ropes.

Boos greeted Ladd and it's a

good thing the referee hustled him out of the ring because the crowd was getting ugly. By using his feet, Ernie became a heel.

Inside the Mountain's dressing room it was like watching an elephant—a bearded elephant—wail. The Mountain was still punchy.

"Man, I don't understand why that boy had to be so mean. Now I ain't the type to punish a man and I don't see why he had to do all that kickin'. Anyways, that ain't wrestling. Not in my book. Oh, Lordy, I ache all over. I'm sure looking forward to going back to those peaceful Tennessee hills to rest up. Lord, that's a mean boy."

Ernie, who used to be called "Mr. Nice Guy," chuckled when told that Man Mountain didn't think all that kicking was necessary.

"Oh, I wasn't that bad," he said, smiling, and with not a mark on him. "I was just playing with that fat cat. I was trying to tell him he's got no business in this game and I just wanted to show him how little respect I have for him, so I used my feet. Those couple of shots I hit him with my hands were only to show him I could keep him in line either way. Boy, do my feet hurt." □

**OUR SPECIAL  
INVESTIGATION PAYS OFF!**

**THE  
N. W. A.  
STRENGTHENS  
ITS RULES!**

Who says "You can't fight City Hall"? Not only have wrestling fans fought—they've just won a big battle!

**B**ECAUSE OF PRESSURE brought to bear by a three-month long investigation by the staff of **THE WRESTLER** and **INSIDE WRESTLING**, National Wrestling Alliance President Sam Muchnick has announced a series of drastic changes in the rules!

In the December 1972 issue of **THE WRESTLER**, we published the results of an investigation into the rules of wrestling under the headline "Nobody Gives A Damn About The Rules!!!" The article pointed out specific instances in which rules were violated as well as recommendations for streamlining these rules. Among the points raised by the article were:

- Some referees either do not know the rules or are interpreting them wrong!

- Although there is one universal set of rules, different geographical areas have changed them, adding some and subtracting others!

- Some rules are being disobeyed or overlooked altogether!

The conclusions in the story demanded changes in the rules structure.

And now those changes are coming about.

"Your investigation really shook up some people in this office," a source close to the N.W.A. admitted. "In addition, we must have received hundreds of letters demanding changes and pointing to your story as proof that things have gotten out of hand. These things take awhile, but I believe this shows that the N.W.A. listens to the fans."

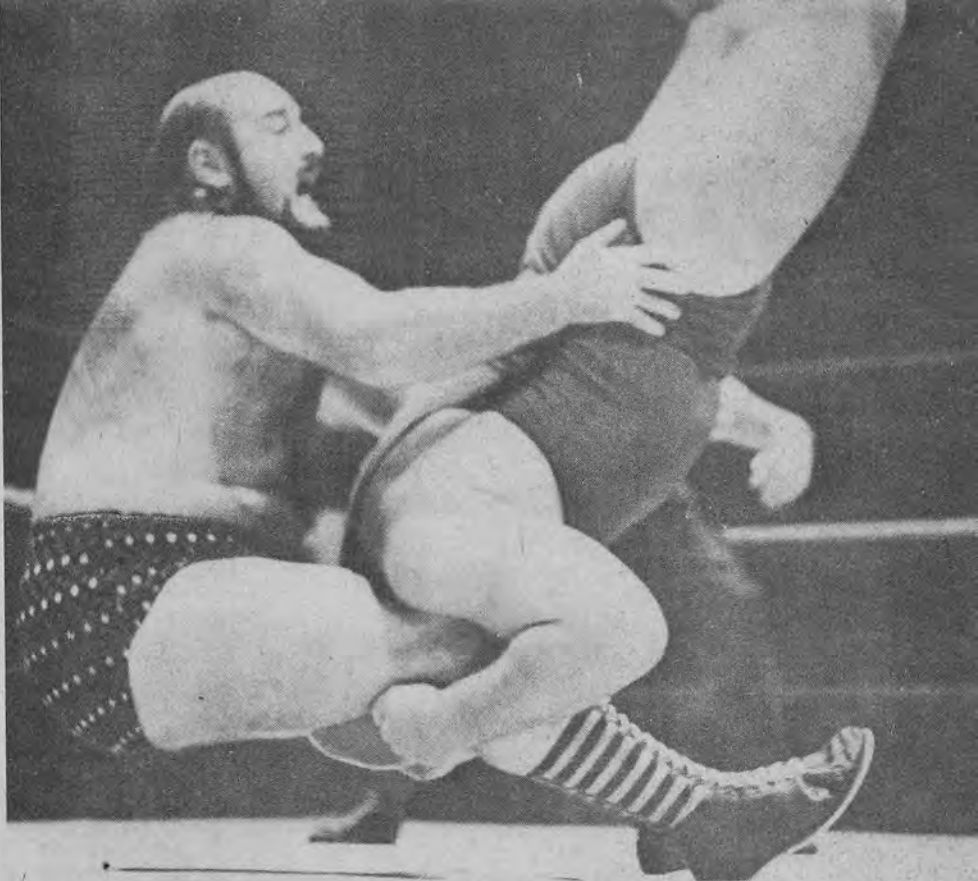

In its statement of rules changes, the N.W.A. issued the following:

"The count on the floor is no longer 20, but has been changed to a 10 count. Hair pulling, eye gouging, strangleholds, biting, pulling trunks masks or other equipment, straight punches or kicks with the point of the toe are all *illegal*. Contestants who repeatedly violate any of the above rules will be disqualified."

The key changes, however, are the violations that are now grounds for IMMEDIATE disqualification.

"Throwing opponent over the top rope, karate thrusts to the throat, the piledriver hold, failing to break a hold before the referee's five count, any low blow and any low blow administered to opponent with a jump

(Continued on page 52)

*Fanciers of the piledriver, such as Mad Dog Vachon, the N.W.A. has bad news for you. The hold (above) is now illegal and punishable by immediate disqualification! The same rule also applies to the use of foreign objects (below). Look out, Sheik!*

**D**ONNA CHRISTENELLO and Dottie Downs were having coffee together, but it wasn't what you'd call a friendly coffee klatch.

They were discussing business, and the business at hand was how to rip Jan Sheridan and Lily Thomas to shreds.

"They're getting too damn big for their boots!" yelled Dottie.

"They've had some success since they teamed up and now it's really starting to go to their heads."

"They get me sick to my stomach," added Donna. "I hate the sight of their smiling faces. They always seem to be smiling before a match, and unfortunately too damn often they're smiling afterwards. Even when things don't seem to go their

way, they smile cause they claim they're 'good sports'."

"Good sports," continued Dottie. "As far as I'm concerned they're not even good wrestlers. They're too damn pretty for the ring. Let them go do modeling instead of tangling in a sport that's too tough for them."

"I still say I hate those smiling faces," said Donna. "I could see

them now like they were right in front of me. I think those smiles would look better if Jan and Lilly had a few teeth missing. They'd look cuter that way. I'd love to send some of those pretty teeth right down Jan's cute little throat.

"You know something else? I bet she does her hair before every match. She comes into the arena like she's going to a wedding, not to wrestle. I'd like to keep tearing those nice blond hairs right out of her head until she gets on all fours and begs me to stop!"

"How about breaking a few of their bones?" asked Dottie.

"Wouldn't that sound nice?"

"Yeah," yelled Donna. "That way, the fans wouldn't have to be sickened for awhile, while they recuperate in the hospital. Then while

they're gone they can get some professional wrestlers like us on the card more often."

The more the girls talked the more violent they became about Jan and Lily. They hated them. They wanted to destroy them. And then an idea came to Dottie.

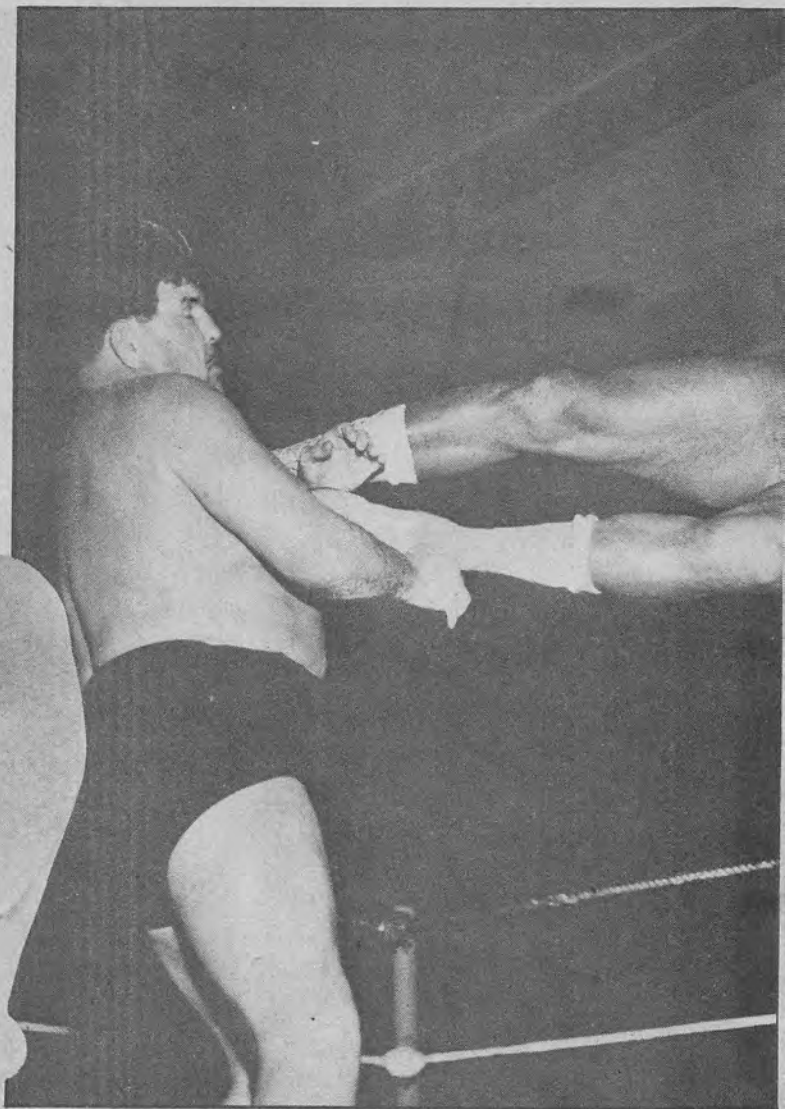

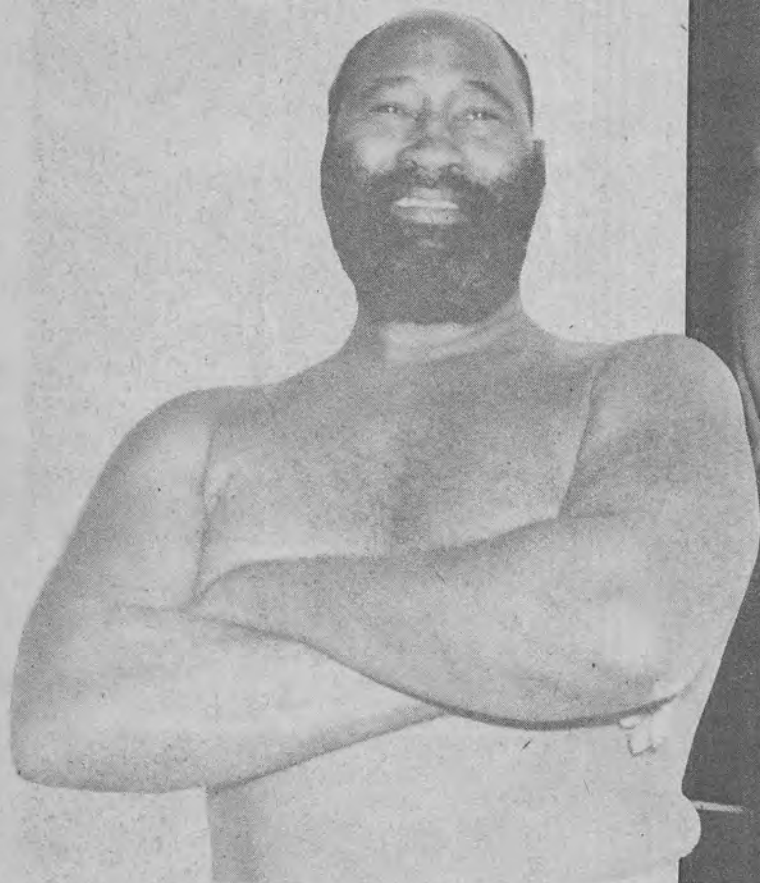

"Instead of talking about it, let's do something about it, dammit," said Dottie. "Let's sign up for a match against Jan and Lily and this time let's show them no mercy. When we're through with them they won't even be able to crawl into an arena again. No matter even if we get disqualified, let's do everything we

*Bearcat Wright is not dead! The "cool cat" was presumed dead by many people in the wrestling world. As a matter of fact, Bill Apter, who was assigned to cover the story, confirmed Bearcat's death through a reliable source before writing an obituary!*

# BEARCAT WRIGHT IS ALIVE

By STEVE ENDE Editor

**"T**HE REPORTS OF my death are greatly exaggerated."

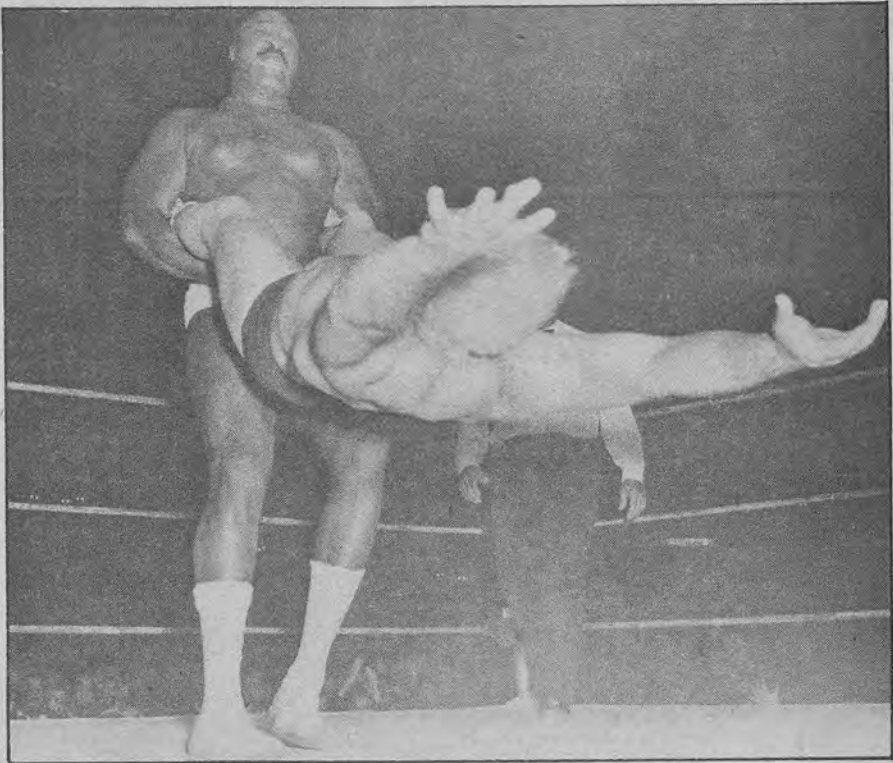

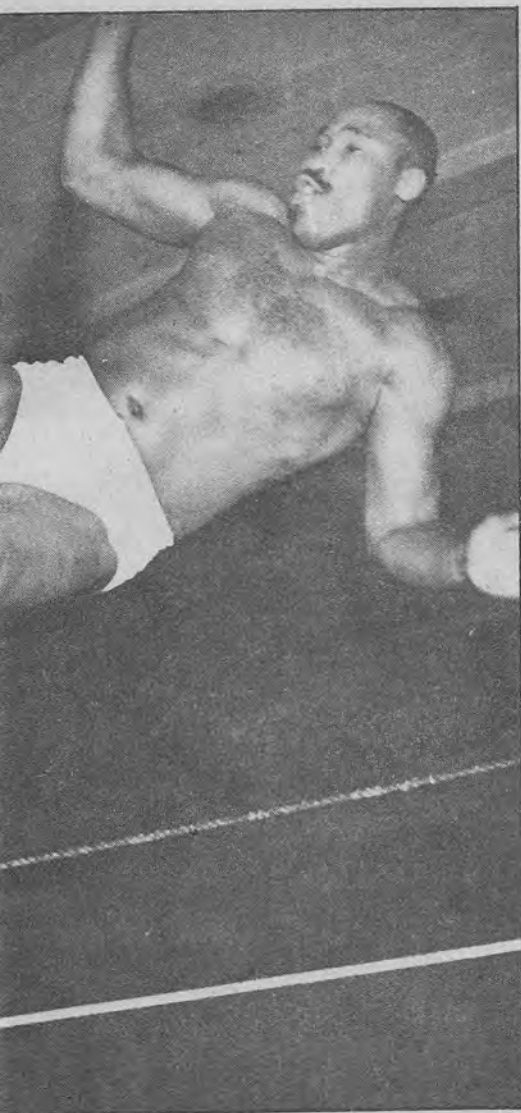

So spoke writer Mark Twain many years ago when he heard his obituary was published in many newspapers throughout the United States. Despite the obituary, Twain was very much alive.

Equally alive, we're happy to report, is Bearcat Wright. And Bearcat, too, could say the reports of his death were greatly exaggerated. And they were.

In the October 1973 issue of *INSIDE WRESTLING* it was reported that Wright, long one of the world's most popular mat stars, had succumbed to sickle cell anemia. The report of Bearcat's death was, in fact, so shocking, associate editor Bill Apter was immediately assigned to the story.

Upon entering Madison Square

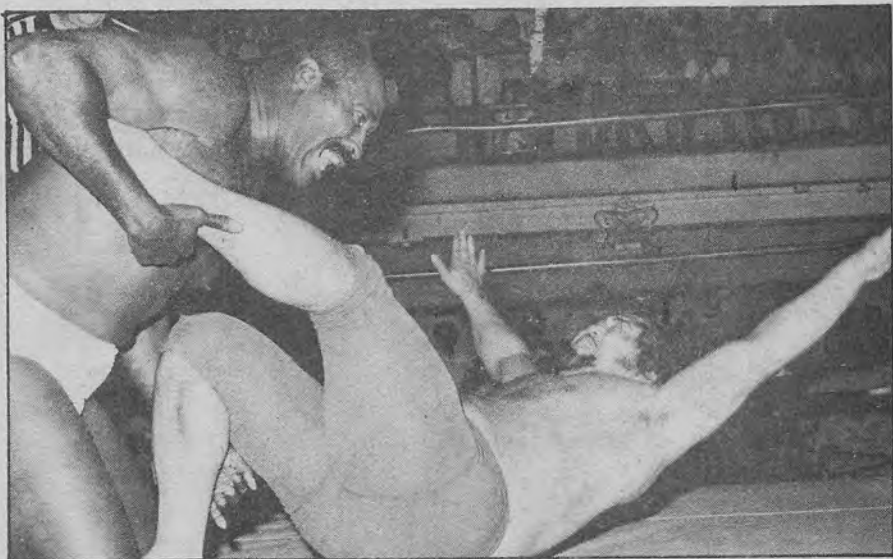

*After the obituary was published we received letters claiming that Bearcat was indeed alive. The story was confirmed by Chief Jay Strongbow who saw Bearcat just a few days after the story of his death hit the newsstands all over the world.*

Garden's dressing room area on the night of a wrestling show, there was only one subject of discussion which could be heard coming from the wrestlers—Bearcat's death. About six or seven different wrestlers asked Apter if he'd heard about Wright. Every wrestler interviewed that evening was under the impression that Wright had died.

Not willing to take rumors at face value despite the numerous sources, Apter later phoned an official of the World Wide Wrestling Federation to confirm what he'd heard. He stated the rumors Apter had heard were true. It later turned out that the official received his information from the same source Apter had received his—the wrestlers.

Just to make sure, Apter checked further. No correspondent report listed Wright as appearing any-

**In the October 1973 issue of INSIDE WRESTLING it was reported that popular mat star Bearcat Wright had died. It was an erroneous report. We are happy to be able to set the record straight in this report**

Moments after John Tolos brutally sneak attacked Victor Rivera, blood begins pouring out of a deep gash on Rivera's head. Victor, who was being interviewed by Luis Maganya, the Olympic Auditorium's announcer, was violently attacked during the interview. "It appears that John Tolos must've had a piece of glass or some other kind of very sharp object in his hand," Dr. Bernhart Schwartz reported. "A wound this deep couldn't happen any other way."

# LOOK AT VICTOR RIVERA'S FACE!

"I'VE PERFORMED MANY emergency procedures," said Dr. Bernhart Schwartz, shaking his head in wonderment at what had just taken place, "but this is the first time I've ever sewn anybody up on television!"

On television?

That's right. TV fans who happened to be watching the matches from the Los Angeles Olympic Auditorium wound up getting more than they bargained for when Victor Rivera was mercilessly attacked during a TV interview.

And because of the seriousness of the injury Dr. Schwartz rushed in to administer to Victor while the cameras were rolling! It was one of the most ghastly sights TV wrestling fans ever remember seeing!

It all began a few days before John "The Maniac" Tolos and Rivera were scheduled to tangle in a grudge match for Victor's Americas championship belt. While preliminary matches were taking place in the arena, Victor consented to do an interview in the studio adjoining the dressing room.

Television viewers sat in stunned silence as the doctor put 17 stitches into Victor Rivera's forehead!

*Maganya and an N.W.A. official help the semi-conscious Rivera onto a chair. Then Maganya called for Dr. Bernhart Schwartz, who was watching the matches in progress at ringside. Dr. Schwartz gasped when he examined Victor's cut.*

# ONLY A MANIAC COULD DO THIS!

*"Don't wipe the blood off!"  
Rivera yells at the doctor.  
"I want to tell my fans  
something before you do!"*

Ri 9-5171

But before announcer Luis Maganya could ask his first question, Victor was ambushed by Tolos, who, catching Victor by surprise, was able to inflict a horrible beating... a beating which wound up costing Victor 17 stitches and an untold amount of blood!

"I could do nothing but stand and watch," Maganya said. "The cameraman and myself were the only other ones here. The cameraman asked me 'What should I do?' I told him to keep shooting."

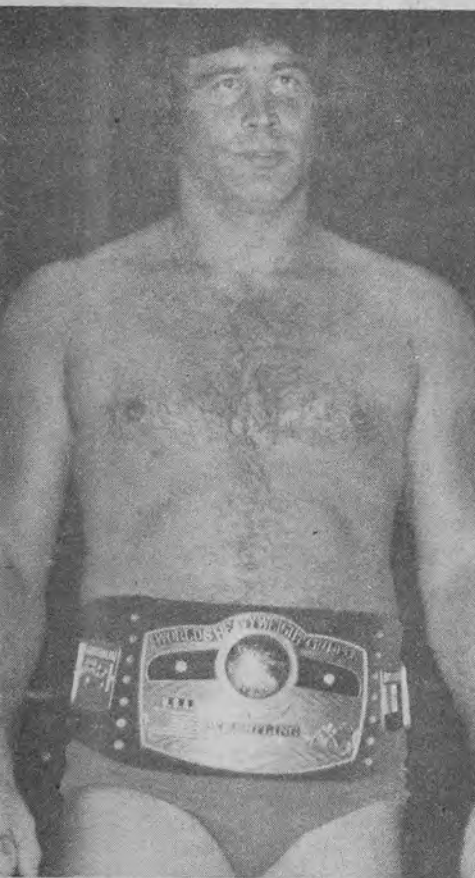

While Tolos was battering Rivera, the announcer ran to the dressing room to alert friends of Victor's. But when they returned the damage had been done. Rivera's face was a bloody, gory mess. Victor was lying on the floor in a pool of blood.

The announcer took one look at Rivera and said "we'd better get Dr. Schwartz." The doctor was at ring-side at the time, viewing the pre-

Dory Funk Jr. lasted a little more than four years. Harley Race lasted a bit more than four weeks. In this exclusive story the top contenders reveal their answers to the question...

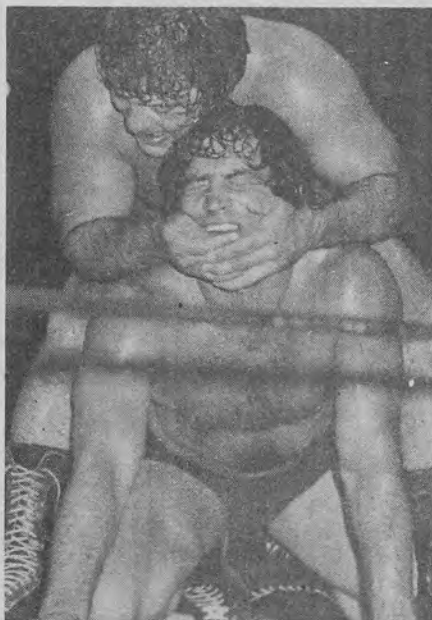

# HOW LONG WILL JACK BRISCO REMAIN CHAMPION?

Jack Brisco proudly displays the N.W.A. title belt (above) he won after defeating Harley Race in Houston, Texas. Paul Jones (right) who's beaten Jack, feels confident he'll be the man to dethrone him.

**D**ORY FUNK JR. enjoyed a successful reign as champion for more than four years. Can Jack Brisco expect the same?

"No way," said someone who

knows, or says he knows. "Just no way."

The speaker is Rip Hawk who, more than most people, qualifies as a Brisco expert, having handed both Jack and Jerry one of their few defeats.

"I know the Briscos as well as anybody," Hawk said, "and between you and me, these guys just don't have it. The tipoff is how Jack won the title. For two years he couldn't take it away from Dory Funk Jr. Then, when Funk gets hurt and loses it to Harley Race, Brisco lucks out and beats Race.

"This doesn't mean Race isn't good. It's just that he hadn't yet learned all the little tricks a champion must know in order to keep his title. Funk knew 'em all. His father taught him. Brisco don't know 'em either. That's why he won't last. He's not hard to beat. I know."

Pat O'Connor, a former N.W.A. champion, disagreed with Hawk. "I've seen Brisco wrestle enough to know that the title's in good hands," O'Connor said. "I've seen him win and I've seen him lose. But the key thing is that I've never seen him out-wrestled. He's got as much pure

Above: "If Jack can handle the pressure," Verne Gagne says, "I think he'll remain champ for a long time." Above, right: Terry Funk, a sworn enemy of Jack's, claims, "He will hold it until he meets me. That's if my brother doesn't get to him first!" Right: "The Sheik won't win the title from Brisco," says Abdullah Farouk. "How could he? After all, Brisco won't give him a title shot. He's scared stiff of the great exalted Sheik." wrestling ability as any champion who has ever worn the belt. He's young and strong. He'll be around for awhile."

"I can't see Brisco lasting more than a few months," said Jack's arch rival, Bobby Shane. "He doesn't have the class a champion needs. As soon as he feels a little pressure he'll fold like a tent. He always has...he always will. Jack Brisco's liabilities are not physical—they are mental."

"I give him a year," said Nature

Boy Roger Kirby. "I think the days that a champion could reign for three or four years ended with Funk. The competition is just too good. Right now there are a hundred guys out there—myself included—who are as good as or better than Brisco. One night one of us will knock him off."

"Jack Brisco will do all right until he meets me!" growled Maniac John Tolos. "I just hope he still has the belt when we meet. It'll be another one to add to my collection."

"I believe Jack Brisco will be a good champion and I think he'll last a long time," noted W.W.W.F. heavyweight king Pedro Morales. "He has all the tools. He's young, strong and smart. I was sorry to see my old friend Dory Funk Jr. lose his belt to Harley Race, but Jack Brisco might be able to keep it as long as Dory did. The only thing that can hurt him is the schedule. That's what destroys champions—the schedule. Not the opposition."

"That's a bad question to ask me," grumbled former champion Gene Kiniski. "You know how I feel about

"I'M

**"I RAN MARK LEWIN  
OUT OF THIS COUNTRY!"  
—DR. JERRY GRAHAM**

**D**ESTRUTION IS HIS trademark. Perhaps the most feared wrestler of the late 1950's and early '60's, he teamed with his brother to form the number one tag team combination in the world. After the team split he continued terrorizing wrestlers throughout the world. Then he seemingly disappeared. It was rumored he retired. But he was actually studying new techniques with Oriental masters. Now he's back—more dangerous than ever. He's Dr. Jerry Graham.

**Q:** Dr. Graham, welcome to "The Hotseat."

**A:** It's your pleasure having me here I'm sure.

**Q:** Where have you been keeping yourself the past few years? We haven't heard too much about you.

**A:** Well, I've been wrestling all over the world. Australia, South America, Japan, Hong Kong, India, Europe and South Africa.

**Q:** Most people were under the impression you retired.

**A:** No, I didn't. I just got tired of wrestling in the United States because I had exhausted all the top competition here. Now I'm back to step on these so-called top stars a second time around.

**Q:** Do you plan to unite with your brother Eddie and go after tag team titles as you did in the late '50's and early '60's?

**A:** No. As you know I got my brother Billy Graham started in

*Dr. Jerry Graham strangles the breath out of Bill Miller. "I beat every so-called top star years ago," Graham boasts, "and now I'm back to whip them all a second time around!"*

wrestling before going on my world tour and he and I are talking about joining and then the Grahams will sell out the Madison Garden Square again.

Q: You didn't answer my question about Eddie.

A: Let's move on to another question. I don't want to dwell on family matters if you don't mind. Let's talk about me.

Q: Okay. Anything you say. Why do you insist on wrestling dirty?

A: I don't. I wrestle on a dog-eat-dog proposition. I go out to beat a man any way I can. I'm out to destroy my opponent as fast as I can.

Q: Do you ever intend to get away from that philosophy and wrestle scientifically?

A: Never! This has been my means of success. I tried that scientific bunk and I found out you can't survive in the wrestling game unless you're violent. You've got to beat your opponent any way you can if you want to be on top in this business. I've been on top for a long time now. As soon as I get my hands on my opponent I pound and pulverize him to the mat.

Q: Do you still hold a grudge against Mark Lewin and Don Curtis?

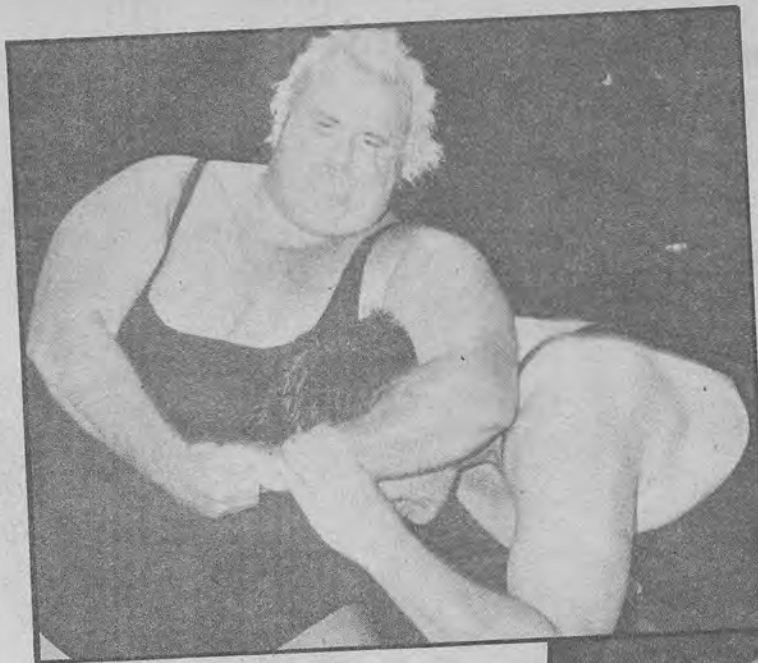

A: Yes, I definitely do. I ran Mark Lewin out of this country! He never leaves Australia. When I went there he came running back to the United States. He refuses to come here as long as Dr. Jerry Graham is here. Now, about Curtis. The man hardly wrestles any more. I handed him too many severe injuries. He couldn't hold up against me. He's hiding in some corner hoping I'll go away. If I ever do get a match against him I don't want to beat him, I want to kill him!

Q: Why do you still hold this grudge?

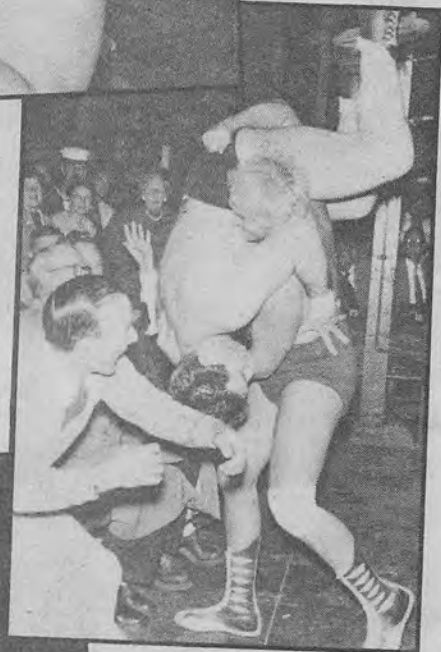

A: It's a personal vendetta that happened many years ago.

Q: What ever happened to Bobby Davis your former manager?

A: Bobby's in the real estate business in Columbus, Ohio. He was a

very good manager who served his purpose before I got rid of him. I found I no longer needed him. He was like a piece of discarded clothing. You get rid of it after it serves its purpose.

Q: What's your opinion of W.W.W.F. champion Pedro Morales?

A: Who?

Q: Pedro Morales.

A: He's just a little tequila brain who used to carry my bags into the arena for me years ago. He's a piece of popcorn. A nothing. As soon as I get him I'll beat him as fast as I get my hands on him.

Q: What about Verne Gagne?

A: He's a bald-headed man with no teeth. I kicked them all out.

Q: What about Jack Brisco?

A: He's just a little kid. He has no knowledge of wrestling. I could beat him any time, any place.

Q: What are your immediate plans for the future?

A: Well, I want to make top dollar and the only way I can do that is to keep wrestling. I intend to go after Morales. He's very small when it comes to thinking and wrestling. He belongs on a little island in the sun, not in a wrestling ring.

Q: Have you run into any obstacles since you've come back to the U.S.?

A: The biggest obstacle is getting the promoters to give me top talent. They're all too scared I might hurt their precious stars. I will show the public that I'm really the greatest American wrestler in the world.

Q: Has retirement ever entered your mind?

A: I'm a young man, wrestling wise. As long as I feel I can stay active I will. That could be 'till I'm 70 years old.

Q: Is there anything you want to add before we end the interview?

A: Yes, that it's been your rare and privileged pleasure to interview Dr. Jerry Graham. Graham—the greatest name in wrestling. Luke, Billy, Eddie, Mike and myself. The cream of the crop!

If you do you might wind up like Dewey Robertson did in Houston, Texas. You might wind up being bathed in your own blood!

wrestler who obviously didn't want to have his name used. "People think because of my reputation, I'm not afraid of anything or anybody. But that's complete idiosy.

his hand while he's putting somebody in a clawhold.

"But I know for a fact it's a lot more than that to him. That glove is like his own personal championship belt. And you know how wrestlers feel about their belts. Once they win them, they'll do anything short of killing to keep them. And if they don't have them, they'll work themselves to death to get them.

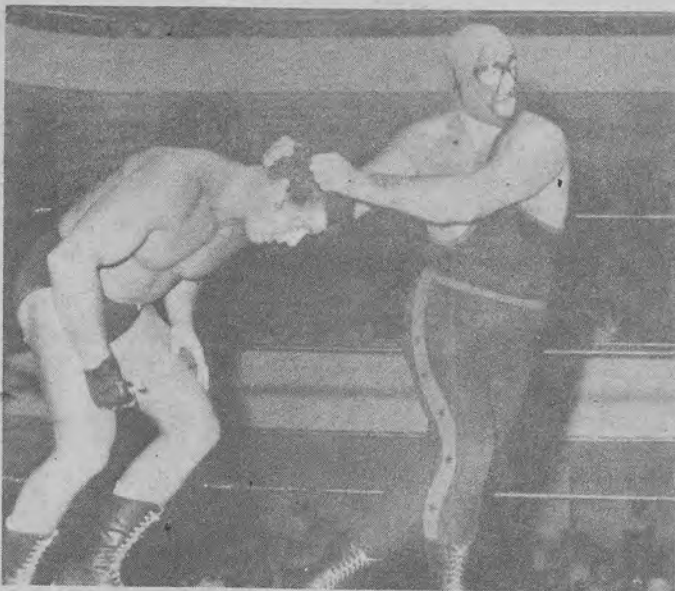

"So when you fool with The Spoiler you've got to watch it. Wrestling with him is one thing. But trying to grab that glove away from him is playing with fire. You'll be lucky to crawl out of that arena on all fours!"

Good advice. But it came too late for Dewey Robertson. Dewey discovered how true it is, but he didn't find out soon enough.

"Ever since he's been here, The Spoiler has been a thorn in my side," Dewey proclaimed before the match. "And tonight I'm going to rid myself of him for good."

Robertson was basing that prediction on one real strong point—his Cobra hold. It's a hold he claims he learned while on an expedition in Africa. He's seen

# THOUGHT TRANSFERENCE

Photo By Gary Kamensack

**B**OBBY HEENAN CAME up with an idea that sprang full-blown from his mind.

Heenan had a problem. A very serious problem. But as one of the craftiest managers around, he came up with a solution to solve it.

The problem arose when N.W.A. officials announced a new rule prohibiting managers from giving advice to their wrestlers at ringside. The N.W.A. says it is unfair, especially when many wrestlers don't even have any managers, to allow managers to give them advice during a match.

But for a manager like Heenan who doesn't let his wrestlers get out of earshot, this was disastrous.

"Then I got this idea," explained Heenan. "I was reading all these books on mental telepathy and extrasensory perception and hypnosis and all of that stuff. And I said to myself why can't I apply some of these principles to wrestling?"

"So I figured if I had some other way of getting the message to my man, it wouldn't matter that I'm not face to face with him. As long as he gets the idea, that's the important thing."

So Heenan worked out a system (which he says is foolproof) to transfer his thoughts. He tried it with Handsome Jim Valiant recently. Just before the match Heenan and Valiant lied down with the tops of their heads touching, closed

their eyes and concentrated.

And Heenan claims for the rest of the evening everything he thought about—Valiant understood, without the uttering of a single word.

Strange idea? You got to admit Bobby's using his head! ☐

**Now that managers are no longer allowed at ringside, Bobby Heenan had to devise a new strategy. You won't believe what he came up with this time**

## SINCERELY YOURS

(Continued from Page 12)

### WE KNEW IT

After reading the September issue of *THE WRESTLER* I became puzzled. On the cover you have a man posing with The Sheik and you call him Abdullah Farouk. On page 32 you have a man who looks exactly like the Grand Wizard and you also call him Abdullah Farouk. Are they the same man? What's going on?

JIM MILLER

Fair Lawn, N.J.

**Editor's Note:** Jim must be a new reader. Because in the July 1972 issue of *INSIDE WRESTLING* we broke the story that the Wizard and Farouk are indeed one and the same. He is one man with two distinct personalities. For details on this or any other story readers may have missed, check the back issue ads in this magazine.

### MISSED IT?

You guys have missed the boat. Bruiser and Bruno Sammartino have teamed up and they're the greatest tag team ever. You haven't written a word about them yet. Let's have it.

DARLENE FERNALD  
Alquippa, Pa.

**Editor's Note:** Hold the boat—we didn't miss it. On page 28 of this month's issue of *THE WRESTLER* is a great feature on this sensational

*Many people are just discovering that Abdullah Farouk and The Grand Wizard (above) are really one and the same.*

new team—and how they won the W.W.A. tag team title.

### HOT FOR HOTSEAT

"Wrestler On The 'Hotseat'" is my favorite feature of *INSIDE WRESTLING*. I love it when you get these big shots and make them admit all those things they'd rather not tell the fans. These guys must really be scared of you! A couple of guys I'd like to see on your "Hotseat" are John Tolos, Terry Funk,

Billy Graham, Pampero Firpo, Stan Stasiak and Harley Race. I also think you should take a bunch of "Hotseats" and put them out in one special issue. It'd sell a million copies.

LOU ALPERT

West Haven, Conn.

### A SHOT FOR THE CHIEF

I am writing in answer to Chief Jay Strongbow's request for a title match with W.W.W.F. champion Pedro Morales. I agree the Chief deserves a title shot. He's a good, clean wrestler who has waited too long for his chance. I wouldn't ever want the Chief to leave the east coast because I love him and so do thousands of other fans. I am beginning to wonder if Pedro Morales, despite being a good champion, is not just a little afraid of wrestling the Chief for fear of losing to a great competitor. I also agree with the Chief when he says that guys like Jonathan, Blassie, Curtis, etc., have had more than their share of title shots. C'mon, W.W.W.F. Give the Chief a chance. Nobody deserves it more.

CLAUDETTE ANTAGES  
Fall River, Mass.

**Editor's Note:** So far, our office has received more than 750 letters in response to the "Hotseat" interview with Chief Jay Strongbow—and every single one demands a title shot for Strongbow. There are just too many letters to print. We've shown them to Strongbow and he asked us to thank all his fans for their show of support.

### PROOF!

Bravo! I certainly must congratulate *THE WRESTLER*, Mr. Abdullah Farouk and photographer Sandy Lazarowicz for the fine article they all helped put together in your September '73 issue. I am a devoted fan of The Sheik and as far as I'm concerned this story is proof enough that it is The Sheik who has been discriminated against time after time. As anyone can plainly see—the pictures tell the whole story. I agree totally with Mr. Farouk and hope that others—as ignorant as they may be—believe him too. Any time The Sheik and Mr. Farouk come to Toronto, which is very often, they will always receive a standing ovation from me.

BARB KRZYZANIAT  
Toronto, Ontario

*Chief Jay Strongbow puts Tarzan Tyler to sleep. The Chief upset Tyler and many other aspirants for Pedro Morales' title but he himself has never gotten a title shot. There's a chance he may leave the east if he doesn't get it.*

## HELP PEDRO

It is time for all Pedro Morales fans to speak out in defense of our hero. Ever since Pedro became the W.W.W.F. champion every contender he's defeated has come up with a wild excuse for losing to him. We have had to put up with accusations like "the promoters protect Morales," "the referees protect Morales," "Morales ducks the top wrestlers" and countless others. I state here and now that these charges are, as every east coast fan knows, false!

But now comes the most disgraceful, dishonorable and disgusting conjecture of all—and your magazine (THE WRESTLER/Sept. '73) had the nerve to print it!

Bringing brass knucks into the ring is not Pedro's style. He would NEVER do this because he has never stooped as low as the maniacs he is forced to meet. Let's clear Pedro of this malicious charge once and for all!

Pedro Morales is the greatest champion who ever lived! Not one

*People have had a tendency to knock Pedro Morales but we're getting more and more mail praising the popular champion.*

of these accusations brought against him have ever been proven! Any of Pedro's fans who believe these attempts to discredit him are NOT true fans!

I saw the first match. I went there because, quite frankly, I knew Pedro would need my support as well as the support of thousands like me to handle a giant like Jonathan. Make no mistake—Jonathan has ability.

However, what was not stated but should have been, was the fact that the Mormon Swing (pictured on page 24) was applied on Pedro and, after getting himself quite dizzy, Don Leo fell out of the ring. He landed on the concrete floor—head first. This gave Pedro time to rest.

After Jonathan returned, Pedro pounded his head into the turnbuckle and then punched him, opening the cut. IT WAS NOT ONE PUNCH WITH "BRASS KNUCKS" THAT OPENED THAT CUT!!!

So come on, Morales fans. Stand by the greatest champion ever!

*Dewey Robertson (above) and Dennis Stamp lost their tag team belts to Alex Perez and El Gran Tapia. Billy Graham (below) feels he lost on a fluke to Verne Gagne.*

roared at the referee.

His pleas to the referee were of no help to Graham. He'd lost as far as everyone was concerned. But Koloff didn't accept a "no" so easily. He attacked Gagne and then Graham joined in. Finally, Wahoo McDaniel and Greg Gagne came to the champ's aid and chased them from the ring.

## ARKANSAS & LOUISIANA NEWS

By Duane Ratchford

Bobby Whitlock has done more than just talk. He and his Mexican team of Alex Perez and El Gran Tapia defeated Dewey Robertson and Dennis Stamp in Louisiana to capture the tag team belts. In order for Perez and Tapia to keep on the top of things, they have to defeat Robertson and Stamp in a return match. Other teams waiting for title shots include Danny Hodge and Scandor Akabar, and Oni Wiki Wiki and Pez Watley.

On a recent TV match a masked man who calls himself "Dr. X" was wrestling big George Hultz of Detroit. Before the match Hultz was asked how he'd fare.

"I'll beat him easily," he said. The match was one fall with a 15-minute time limit. About 10 minutes into the match, Hultz put X's leg on the bottom rope and came crashing down on it with all his 276 pounds!

X was taken from the ring immediately and it was later reported that his leg was broken and he'd be incapacitated two to three months.

Another bad accident happened when Alex Perez, a former boxer, hit Leo Lebello in the jaw with his fist and broke it in four places! In a written statement Lobello claimed, "No man could break a jaw so easily. He must've used brass knuckles or something else."

# MORALES

(Continued from Page 22)

"The results of the match will not be reversed," the judge stated.

"What!" the Wizard cried out.

"However, the original contract will have the return match clause changed whereas Mr. Morales will have to grant Mr. Stasiak a return match. We feel that Mr. Stasiak has a right to ask for the match and Mr. Morales agrees. There will be no time limit to halt the second match and no decision will be awarded on points."

Court was dismissed a few minutes later.

Wizard, of course, was delighted with the decision, although not 100 percent thrilled.

"Of course we would have liked them to reverse the original decision and call it a draw as it should have been called," he told reporters. "However, we have made history here. For the first time ever the so-called world champion was forced—I repeat—forced into granting a rematch to a man he obviously is afraid of wrestling. This is a landmark decision and one that only I—The Grand Wizard—could have obtained."

"History was made here today. And history will continue to be made when Stan Stasiak heart punches the W.W.W.F. belt away from Morales!"

Morales was annoyed with the entire episode.

"The Wizard didn't have to take this to court, to appeal to the W.W.W.F. and the Commission. Because of the strange circumstances surrounding the ending of that match I agree Stasiak is entitled to a rematch. All the Wizard had to do was come to me like a gentleman and request a rematch. I would've requested the W.W.W.F. to grant one. I'm sure if both parties requested a rematch they would've granted one. He didn't have to take this to a joint hearing."

"But I guess I shouldn't be surprised. Wizard would do something like this just to attract attention. Sometimes I wish he was a wrestler so I could put him out of commission."

"The only way to put him out of commission," laughed Gorilla Monsoon, "would be to sew his mouth up!"

## Former FBI Agent\* Tells How to Avoid Bugging & Privacy Invasion Reveals All For Public's Protection

\*WILLIAM W. TURNER, Special Agent of the FBI for 10 years. He graduated from the Bureau's "Sound School" and handled bugging and wiretapping cases.

Illegal eavesdropping (bugging) is one of the fastest growing and most difficult to detect crimes. Watergate made headlines because the alleged conspirators were caught—but most wiretappers and buggers are never caught. The Government alone listened to 1,250,000 "private" conversations in 1972 without court permission. And were 10,000,000 . . . 25,000,000 more bugs placed in homes, offices, apartments by blackmailers, jealous husbands and wives, business competitors—even the kid next door who built a transmitter with \$10 worth of parts?

### The Only Way To Protect Your Privacy Is To Learn All The Secrets Bugging Experts Know

William W. Turner reveals all these secrets in his 192-page illustrated book, "HOW TO AVOID ELECTRONIC EAVESDROPPING AND PRIVACY INVASION." Now, learn how bugging is done without the victim's knowledge . . . what equipment is used . . . how it is installed . . . how entries are made secretly and illegally. Subjects include:

- How Your Telephone Can Be Used By An Eavesdropper 1,000 Miles Away . . . Yes, the "harmonica bug" turns your phone into a spy—even when it's not off the hook.
- How To Use Your TV Set as a Bug Sniffer and Locator . . . step-by-step instructions in layman's language; also how to use other appliances as bug detectors.
- How Industrial Spies Operate; fascinating case histories; are your business secrets safe? How can you protect them from spies and competitors?
- Read About: Inmates Who Bugged Their Warden; The Bugged Gift; Bumper Beepers that Bug your Auto; White Sound—How It Thwarts The Bug; Voice Scramblers—How they work.
- Sophisticated Bugs—Descriptions plus Complete Instructions for Locating Them and Removing Their Threat. • Sub-Miniature Microphones • Parabolic ("Big Ear") Listening Devices • Shotgun Mike • Spike Mike • Stethoscope Mike . . . and many more.

### IF YOU HAVE EVER MADE THESE STATEMENTS . . . YOU NEED WILLIAM TURNER'S BOOK!

- ☐ "I shouldn't discuss this over the telephone."
- ☐ "If Mary found out about you, she would divorce me."
- ☐ "If our competitors knew we were working on this, they could get a head start."
- ☐ "If the boss knew about us, I'd lose my job."

### □ AVOID BLACK BOX "DEBUGGING" CON ARTISTS

Now capitalizing on citizens who want to protect their privacy, these unscrupulous "experts" charge up to \$10,000 for a bug search, according to a story in a leading newspaper. "How To Avoid Electronic Eavesdropping and Privacy Invasion" saves you many times its cost.

Protect yourself against privacy invasion, character assassination, blackmail, scandal and business losses. Send for one of the most startling and alarming books of the century. . .

(Continued from Page 29)

can to mutilate them."

It was agreed and the match was set. Except Jan and Lily had no idea what the other girls were planning for them.

They came into the ring with their usual smiles. They had no idea how many extra hours of training Donna and Dottie put in. They had no idea how many times they went over their plans to destroy them. And they had no idea that their opponents were out for blood at any cost!

Jan and Lilly joked before the match, pointing to their opponents and making some wisecracks about them.

When Dottie and Donna saw that, they became twice as mad. "Remember," said Dottie, "no holds barred in this match, no matter what the referee tells us. What I want to see after this match is two crippled girls, and I mean those two smiling ones over there."

One thing about this battle made it very easy on the fans. Even if they didn't know the wrestlers by sight, even if all had the same suits on, you could tell them apart in a second. Jan and Lily were smiling and confident. Dottie and Donna were dead serious and had a strange look on their faces. That look meant if murder was legal they would aim for it. But short of that, they'd try everything they could get away with.

Dottie launched a savage dropkick into Jan's stomach. You could hear the breath rushing out of her. Before she had a chance to get another breath. Dottie was slamming into her again with her heavy boots. An instant later Jan's neck was in a tight headlock and she felt like her throat was being compressed into half its size. She tried in vain to punch Dottie, but was having enough trouble just breathing.

With a sudden burst of energy Jan freed herself from the headlock and kneedropped Dottie. A downed Dottie rolled over towards the ropes, put out her hand and tagged Donna.

Donna immediately threw her fist into Jan's mouth, then drew it back and socked her again. Jan tasted some of her own blood as she swallow-  
ed.

*Christenello's strategy is upset (above) as Jan slams her to the mat. Even after a brutal beating, Jan and Lily emerge victorious and smiling (below) as usual.*

Then she made the mistake of putting her hand to her mouth to see if there were any cuts on her lip. Donna took the opportunity to pull at her hair. Grasping as much of that beautiful blonde hair as she could she savagely kicked Jan in the stomach, knocking her down. The move caused Jan to make the hair-pulling even worse. At least a few ripped strands wound up in Donna's hand as Jan fell.

Jan once again made an excellent

recovery, got up, knocked Donna to the canvas, and put her into a painful toe-hold. Donna put up her hands in protest as Jan twisted and twisted her left leg until the pain was almost unbearable. Dottie didn't like this at all.

She stepped over the ropes, kicked Jan in the stomach, and made her break the hold. The referee ordered Dottie back behind the ropes. She went, but Donna was going to bring Jan right back to her to save her steps.

Donna slugged and kicked Jan furiously until the poor girl was knocked against the ropes near the cornerpost. Dottie was waiting there from behind. Donna was strangling Jan until she could hardly scream. Meanwhile, Dottie (from behind the ropes) was punching her.

The referee broke it up, threatening disqualification. But nothing was going to stop Dottie and Donna from their planned violence against the other girls. Dottie jumped back over the ropes and took turns with Donna in slugging Jan.

Once Jan was flat on her back Donna took one of her legs and twisted it and Dottie reached for the other. "Let's break her in half!" screamed Dottie, and both girls tried to drag Jan to opposite corners. Jan was beyond pain now.

The referee forced Dottie back behind the ropes and Jan was able to get up, grab Donna's arm and twist it until it just about broke in two. Donna tried to tag Dottie's arm but couldn't. Meanwhile, Jan continued to twist one of her arms and punch her in the stomach with her free hand.

Dottie got back in the ring. This time a thoroughly disgusted Lily jumped in herself and punched Dottie till she was senseless. Then Lily dropkicked Donna and kicked at her until she could barely get up.

Now it was Jan's turn with Donna. She grabbed her, tossed her over and smashed Donna's head straight into the canvas. Dottie and Donna were exhausted. Their opponents had turned the tide and got the match.

Dottie and Donna helped each other to the dressing rooms. Were they finished with their plan of revenge? Not in the least.

"Next time we'll get those rats!" yelled Donna. "Next time we won't stop beating them—until they stop breathing!"

## INVESTIGATION (Continued from Page 27)

*Attacking a referee and getting away with it (above)? That's what The Beast used to be able to do. But not any more. Now he'll get disqualified! If you're thrown out of the ring (left) you don't have 20 seconds to return anymore. They've cut the returning time to 10 seconds!*

off the top rope, THE USE OF ANY FOREIGN OBJECT, any interference with the duties of the referee, continual abuse of a defeated opponent and any interference by managers, seconds or corner men ARE ALL GROUNDS FOR IMMEDIATE DISQUALIFICATION." (Capitals and italics are ours).

In addition, the N.W.A. added that "intentional striking of the referee will result in an automatic disqualification and suspension," and "when one member of a tag team saves another from sure pinning or submission by interfering with that pin or submission hold, that team is automatically disqualified."

Nearly every point covered in our investigation falls under the revised N.W.A. rules, including some additional ones which the investigation did not press for.

INSIDE WRESTLING and THE WRESTLER have published inquiries into the possibility of banning dangerous holds ("Should The Piledriver Be Banned?"—THE WRESTLER/June '72 and

"The Five Holds Wrestlers Fear Most"—WRESTLING YEARBOOK #4/1973), but did not suggest any changes.

However, one abuse the December '72 article revealed was not changed. Champions still cannot lose a title if they are disqualified. Although there have been many cases of champions getting themselves purposely disqualified so as to retain their title, the N.W.A. feels that champions must be protected from "hometown decisions" by referees who disqualify them to give the title to a local favorite.

This rule, however, remains controversial. In fact, it was this rule which was largely responsible for the formation of the American Wrestling Association.

When Lou Thesz was N.W.A. champion, according to current A.W.A. king Verne Gagne, many promoters thought he was getting himself disqualified quite often just to retain his title. A group of them got together and stated that if Thesz got himself disqualified in

an upcoming title match against Edouard Carpentier in Chicago. Carpentier would be awarded the title. That's what happened, and as a result Carpentier became the first A.W.A. champion.

Although the rule changes are a step forward, our investigation also pointed out a more serious matter—lack of enforcement. The best set of rules in the world don't mean anything if referees don't enforce them. And our investigation revealed that in most instances either referees didn't know the rules or refused to enforce them.

The changes will put additional pressure on referees. They no longer can claim ignorance. The rules are there... set down plain as day in black and white. Any abuses now will almost have to be traced to a lack of enforcement by referees!

Unfortunately, the new rules do not affect other federations such as the World Wide Wrestling Federation or the American Wrestling Association, although both have many similar rules. One uniform set of rules for all alliances, federations and associations would certainly eliminate much confusion.

But until that happens, the N.W.A. must be congratulated for making an attempt to straighten out what was threatening to become a bad situation. By this action the N.W.A. showed that it does listen to the fans and proves again that if enough people apply enough pressure—needed changes can be made.

The staff of THE WRESTLER and INSIDE WRESTLING is happy that so many fans responded to our investigation. We are happy that the long investigation produced positive results. We are glad to have played a part—no matter how small—in the improvement of this sport. But in the end, it was you—the wrestling fan—who made these changes come about.

THE WRESTLER and INSIDE WRESTLING will continue to investigate and probe behind the scenes of wrestling as long as there are abuses. We do this in answer to your requests, since many of our investigations (as this one was) have resulted from letters from fans. We are your voice. And as long as we remain so we will make sure that the wishes of the wrestling fans are heard by the highest officials in the sport! □

## DEWEY ROBERTSON (Continued from Page 41)

*The Spoiler's got his glove back and he's going completely berserk. After several devastating knee drops to Dewey's throat, Spoiler rammed his head into the iron ringpost!*

that deadly snake attack game 10 the match that The Spoiler's glove times it's size and kill with un- got loose and started to slip off believable strength and sudden his hand. striking power.

"My Cobra hold will put that Spoiler out forever," predicted Robertson. "The Spoiler will be too spoiled to ever wrestle again."

But his opponent wasn't in the least bit worried. "He talks about his great Cobra hold. As far as I'm concerned that idiot doesn't have the strength of a garter snake. He's all talk. And if he doesn't stop rattling his mouth off, somebody's gonna shut that mouth for good!"

The fans were anxious to see Robertson and his Cobra hold pitted against The Spoiler and his clawhold. But they were also there because each of these men hates the other. This figured to be one helluva match.

Within seconds after the opening bell, Dewey was dropkicking and kneedropping The Spoiler time after time, but Spoiler was able to get up and return the tactic.

One minute The Spoiler was sitting on the canvas and the next it was Robertson. Then the match got even faster. Suddenly, both guys were whipping off the ropes into each other, occasionally knocking each other down at once.

The fans could hardly keep up with the action. It was sometime during this fast-moving part of

Robertson grabbed it, put it on his own hand, and went around the ring holding it up to show everyone. That may have been his big mistake.

The Spoiler was mad as it was, but he became boiling mad at Robertson's arrogant attitude.

The Spoiler went directly for his glove, and as far as he was concerned if he wound up taking off Robertson's hand with it, that was just too bad.

But Dewey pushed him away and delivered some solid punches to his opponent's chest. Then he grabbed Spoiler's arm and whipped him to the other side of the ropes.

A supremely confident Robertson delivered three kneedrops in a row and The Spoiler looked like he just about had it.

Sensing the opportunity, Robertson jumped on Spoiler's back, locked his knees onto his hips and started using the opponent's glove to his advantage.

Here was The Spoiler's opponent not only wearing his own glove, not only bandying it around the ring like a prize, but now using his glove to deliver a vicious claw hold on The Spoiler!

The pain Spoiler was feeling was mild compared to the hate that

was building up inside of him. As soon as that hold would be released, Spoiler would turn into the murderer and Dewey Robertson would be his victim.

The Spoiler leaned back with a sudden, violent movement, violent enough to send Dewey dropping on his head. Once down, he lost no time in putting a tight chinlock on Robertson. Dewey tried in vain to reach back for The Spoiler's neck.

The Spoiler dragged Robertson to his feet and then punched him to the canvas. Then he did it again until Dewey could hardly stand on his feet.

"Maybe you'll learn something from this!" screamed The Spoiler as he lifted Dewey from the canvas again and dragged him furiously by the hair to the other side of the ropes.

When he let go, Robertson was plummeting—head first—into the canvas. He kicked him over and put his full weight on Robertson while kicking his chest with his boot.

But this was only a buildup for the final move. He dragged the almost unconscious Robertson toward a corner and pounded his head into the metal turnbuckle, until the blood started to gush.

Robertson's knees started to buckle under him. As he fell to the canvas, Spoiler grabbed his glove back and muttered "You're getting off lucky this time. You're lucky you're crawling out of here alive."

Dewey somehow got to his feet and made his way out of the ropes. A security guard pushed his way ahead of Robertson to insure he'd get down to the dressing room where medical attention was waiting.

"I don't know what happened," muttered Robertson in his dressing room. "I thought I had this match. I thought I was wiping him out. But all of a sudden everything was happening at once and none of it was good. All I know is there was nothing I could do to stop that maniac. He must be completely insane. Otherwise how could you explain it?"

Maybe the only to explain it is that the glove is something mighty important to The Spoiler, and anyone who tries to take it away is doing so at the risk of his life! ☐

# BEARCAT WRIGHT (Continued from Page 31)

*Bearcat's always been a favorite of the fans (above). Some kept their alliance to him even when he teamed with Bobby Shane! Right: Saito's not one of Bearcat's fans!*

where. A call to a territory in which Bearcat frequently appears evoked the same response. They'd heard the same rumors, Apter was told.

Convinced that too many people knew about this for it to be anything other than the truth, Apter requested permission to write the story since he'd long been a follower of Bearcat's career and Wright was one of his favorite grapplers. It was with great sadness that Apter wrote the story of Bearcat's death.

The first inkling that Wright hadn't died came when Apter saw Pedro Morales reading a copy of the magazine with the story in it.

"Hey, Bill," Pedro said. "I've got news for you. Wright isn't dead. You better go see the Chief—he saw him."

Apter went immediately to see Chief Jay Strongbow who confirmed that Wright was indeed

alive.

"I walked into the dressing room in Detroit," Strongbow noted, "and I did a double take. When I walked into the dressing room I thought I was seeing a ghost! I thought he had died!"

Soon the offices of INSIDE WRESTLING and THE WRESTLER became flooded with mail. All the letters said the same thing. "Bearcat is alive!" Fans began sending in clips showing that Bearcat was appearing in various arenas in the United States and Canada.

It was obvious we had made a mistake—a serious mistake—but not a mistake that hasn't been made before, as what happened to Mark Twain proves.

The best news, of course, is that Bearcat is alive and well and wrestling. As far as we're concerned, we hope he remains so for many, many more years.

## An Important Message To Every Man and Woman In America Losing His or Her Hair

### HOW COMATE WORKS ON YOUR SCALP

The development of an amazing new hair and scalp medicine called Comate is specifically designed to control seborrhea and stop the hair loss it causes. It offers the opportunity to thousands of men and women losing their hair to bacterial infection to reverse the battle they are now losing on their scalps. By stopping this impediment to normal hair growth, new hairs can grow as Nature intended.

This is how Comate works: (1) It combines in a single scale treatment the essential corrective factors for normal hair growth. By its rubefacient action it stimulates blood circulation to the scalp, thereby supplying more nutrition to still-alive hair follicles. (2) As a highly effective antiseptic, Comate kills on contact the seborrhea-causing scalp bacteria believed to be a cause of baldness. (3) By its keratolytic action it dissolves ugly dandruff. By tending to normalize the lubrication of the hair shaft it corrects excessively dry and oily hair. It eliminates head scales and scalp itch.

In short, Comate offers you in a single treatment the best that modern medicine has developed for the preservation of your hair. There is no excuse today except ignorance for any man or woman to neglect seborrhea and pay the penalty of hair loss.

### COMATE IS

### UNCONDITIONALLY GUARANTEED

To you we offer this UNCONDITIONAL GUARANTEE. Treat your scalp to Comate in your own home, following the simple directions. See for yourself in your own mirror how after a few treatments, Comate makes your hair look thicker and alive. How Comate ends your dandruff, stops your scalp itch. How Comate gives your hair a chance to grow. Most men and women report results after the first treatment, some take longer. But we say this to you. If, for any reason, you are not completely satisfied with the improvement in your own case — AT ANY TIME — return the unused portion for a prompt refund. No questions asked.

But don't delay. For the sake of your hair, order Comate today. Nothing — not even Comate — can grow hair from dead follicles. Fill out the coupon now, and take the first step toward a good head of hair again.

# JACK BRISCO

(Continued from Page 35)

*Eddie Graham (above, left) was one of the men who coached Jack early in his pro career. "If he keeps up with his training he'll be unbeatable," Eddie says. Buddy Colt (above) is "very unimpressed by Jack. He's easy to beat," Buddy claims. Manager J.C. Dykes (below) doesn't think Jack'll hold the belt as long as Dory Funk Jr. "He doesn't have Funk's background."*

him. I beat him easily a few weeks before he won the title and because of that I doubt if he'll agree to give me a title shot. At best I think he's a mediocre champion. He's no Dory Funk Jr. No, I have no love for Dory Jr. But he did manage to hang onto the belt for four years. I can't see that happening with Brisco."

"I have mixed reactions," intoned former kingpin Lou Thesz, the man who has held the belt on more different occasions than anyone else. "I worked with Jack in his formative years and I'm thankful he gives me some of the credit for his success. But I want to win that belt one more time, so, of course, I can't wish him a long reign. We've wrestled once since he won the title and it was a draw. Maybe I taught him too well."

"Brisco won't be around too long," insisted voluble manager J.C. Dykes. "The days when a champion would last as long as Funk did are over. Remember, Funk was trained for that role by his old man from the time he could walk. He knew every trick. He was young, but he had the knowledge and experience of a man in his 50's. All that was his father's doing. Brisco doesn't have that kind of background to fall back on."

## The Deadly Oriental Fighting Art of Instantaneous Death That Requires No Strength or CLOSE BODY CONTACT.

- ★ Self-defense without torturous training or rigorous exercise.
- ★ Instant self-defense for the weak, the defenseless, the fearful and the untrained.
- ★ Makes your body a live fighting machine! Hands, feet, elbows even fingers become deadly weapons of defense.
- ★ Faster, deadlier and easier than Judo, Savate or Karate.

**R**evealed at last! The most secret, the most respected, the most effective of all the Oriental fighting arts—KUNG FU. So simple that if you can read then you can easily master the theory of this "flick-of-the-wrist" technique. KUNG FU works on a secret principle yet its deadly force is easy to learn and easier still to apply. KUNG FU can take any one \* without training and make him a fighting machine in seconds.

### THE SECRET OF KUNG FU REVEALED AT LAST

KUNG FU is a fantastic method of self-defense that was buried in the mysteries of the past. Once a part of a mystic Oriental rite, its deadly fighting secrets were only taught by Shaolin Priests to those considered worthy only after years of preparation and testing. KUNG FU was hidden from the public! Yet in spite of serious efforts to keep it from the world, word of its amazing power spread. Masters of other fighting arts soon learned to fear and respect its techniques. They learned that KUNG FU harnesses certain dormant forces within you, enabling you to disable and destroy with just a lightning flick-of-the-wrist, and that KUNG FU requires no strength or extraordinary skills, in fact KUNG FU's brilliant defense never requires strength, size or undo exertion.

### HOW KUNG FU WORKS

KUNG FU is based on a simple yet lethally effective principle. It is not necessary to physically match strength with your opponent in order to overcome his attack. You harness the enormous natural power of your own movements. KUNG FU shows you how to take advantage of these fundamental laws of natural movement. Your rhythm is added to the very movement against you... so that all forces are added together and unleashed against your opponent. This is KUNG FU—a force so simple yet so devastating that its techniques have stunned the world.

### KUNG FU IS BETTER THAN OTHER FORMS OF SELF DEFENSE

KUNG FU is better than all other forms of self defense! Its secret lies in its simplicity and in its ability to overcome an attacker WITHOUT INTRICATE BODY CONTACT. Now, if you can read or look at pictures then you should be able

to master the theory of this "flick-of-the-wrist" technique. YOU CAN WIN... EVEN IF YOUR OPPONENT IS BIGGER AND STRONGER THAN YOU. You can win if your attacker surprises you. And more—KUNG FU means deadly, often crippling self defense where every part of your body is a fearful weapon. Your feet, your hands, your elbows, your fingers become lethal weapons WITHOUT REQUIRING SUPER MUSCLE-POWER OR BRUTE FORCE. And you can do all this without years of training, special exercises, and especially hundreds of dollars in cost.

### WHAT KUNG FU WILL MEAN TO YOU

With so many crimes of violence about us you could be in danger—anytime—of being hurt or worse humiliated! BUT NOW YOU CAN DO SOMETHING ABOUT IT. You can protect yourself, your family and your property with deadly efficiency in mere seconds. Yes, and you can do it without years of training, hundreds of dollars in cost, and without long, painful practice. Regardless of size, strength or build you can beat the bullies and better the odds. Thanks to KUNG FU you need never be afraid again. You too can learn to overcome the fear of being shamed. You too can be the one that gives the beating! You too can control threatening, dangerous situations.

### WHY KUNG FU MAKES ALL THIS POSSIBLE

Why??? Because KUNG FU is as deadly as it is simple. And it works for anyone.\* Other forms of self defense like Judo or Karate require something special such as strength, speed, etc.... to say nothing of endless practice. A judo Black Belt Master,

for example, must practice technique after technique... and take years to master it all. NOT SO WITH KUNG FU! It's based on an entirely different concept. Technique and form aren't very important. DEFENSE IS! KUNG FU is designed to help you defend yourself in most situations\* with an absolute minimum in effort and a maximum in protection.

### COMPLETE COURSE REVEALED NOTHING ELSE TO LEARN

The SECRETS OF KUNG FU are fully revealed in one amazing "how to" book. The course comes complete and there's nothing else to learn or buy. You find all the secrets, principles and techniques simple to master and easy to apply. You don't need any special apparatus or practice dummies. And once you master the SECRETS OF KUNG FU you can forget about other systems and other methods. Now, in the privacy of your home, you can learn the deadliest fighting secrets of all time at your very own pace! In just minutes you can find out how to deliver a crippling blow that leaves your opponent powerless and more... in seconds you can learn how to destroy your attacker's ability to fight... and much, much more. The fully revealed SECRETS OF KUNG FU, are so sensational that we make you this surprising UNCONDITIONAL 3 WAY GUARANTEE. You must be satisfied not just one way but fully 3 different ways or it costs you nothing.

## JACK BRISCO (Continued from Page 58)

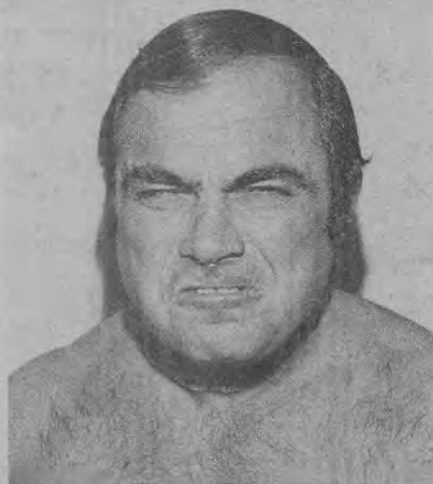

"In his heart Brisco knows he's not the real champ," Gene Kiniski (above) claims. "He's gotta beat me first." Pedro Morales (left) says, "Jack's got all the tools to be the champion for a long time."

"I have been singularly unimpressed by Jack Brisco ever since I've known him," explained Buddy Colt, not exactly a buddy of Jack's. "Just because he won the belt through a set of fluke circumstances doesn't make him a better wrestler. If you take a run-down car with a bad engine and give it a new coat of paint the car won't run any better. Brisco, I think, is a vulnerable champion. By that I mean I can think of more wrestlers who can defeat him than almost any other man."

"I think the day Jack won the title was a great day for wrestling," beamed Eddie Graham, another whom Jack credits with a large slice of responsibility for his success. "Jack has progressed beautifully. I remember when he first started I thought he was championship material. I'm glad he fulfilled the high hopes I had for him. I think he's going to remain on top even longer than Dory Funk Jr."

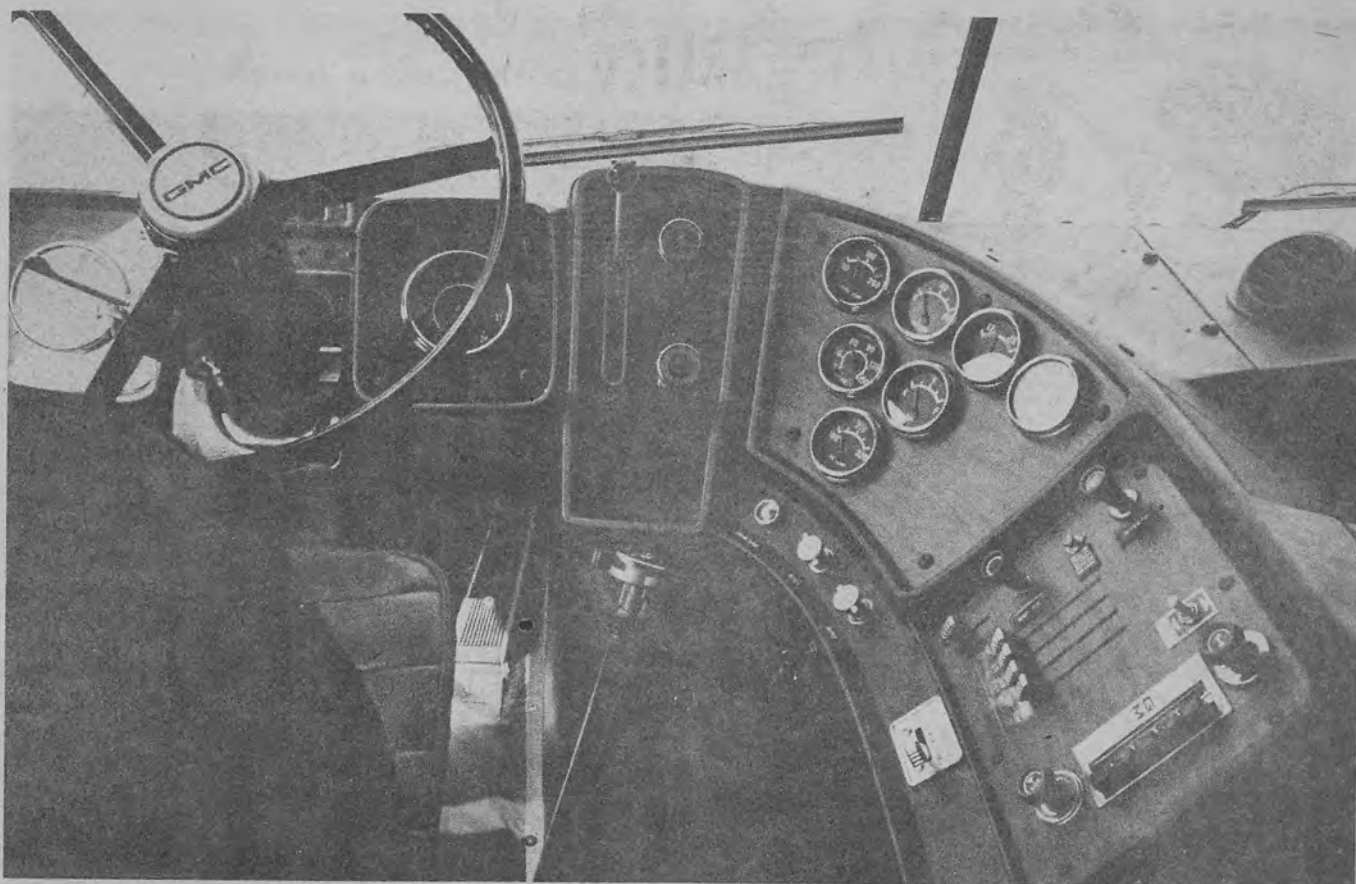

"If Jack Brisco is the new champion," announced Abdullah Farouk, manager of The Sheik, "it's simply an indication of the extremely low state into which current wrestling has plummeted. It's humiliating to the sport. Of course, to my Sheik and

myself, it makes no difference who the so-called champion is. They all refuse to wrestle The Sheik and until they do all the people know that the Briscos and Funks of this world can never be considered true champions. Sheik is the one true champion."

"I'm really not the right one to ask about that," Terry Funk snickered. "It's a well known fact what I think of the Briscos. It's a damn crime that the belt my brother wore so proudly and defended with such dignity for four years is around the waist of a bum like Brisco. To tell the truth, I hope Brisco holds on to it long enough for me to get a title shot. Then I can be sure the belt will return to its rightful place — around the waist of a Funk!"

"I saw Jack Brisco wrestle twice when I was down in Florida," Verne Gagne recalled, "and from those two times I got a favorable impression of his ability. He can wrestle well enough to hold onto it for a good period of time. The only question is how he'll react to the scheduling and the pressure."

Paul Jones insists that Brisco's ascension to the championship can only make him try harder. "I respect Jack as a good wrestler and for becoming champion. However, the fact remains that I've defeated him on more than one occasion. And the fact

that I've beaten the man who is now champion more times than he's beaten me makes me more anxious than ever to get a title shot. I really feel confident I can take that belt."

And what about the former champion?

"I wish Jack all the luck and success in the world," says Dory Funk Jr. "But one thing I do not wish him is a long reign. I hope I'll be able to insure that his reign will be a short one indeed." □

# VICTOR RIVERA

(Continued from Page 32)

liminary matches. When he was brought back to the studio he couldn't believe his eyes.

"This was about the worst thing I've ever seen," he recalled. "He was losing so much blood I knew we couldn't wait for an ambulance. I had to stitch him up on the spot."

And that's exactly what happened. As the camera rolled and Luis Maganya held a microphone close to Dr. Schwartz, Rivera was lifted into a chair. Victor was semi-conscious. And he was in pain.

Meanwhile, Maganya had to kill TV time. There was nobody to interview, so he came up with a brilliant idea.

"So many times we hear about how wrestling is supposed to be a fake," Luis said. "I decided to film what Dr. Schwartz was doing to Victor. I knew anybody who saw this—especially in color—would never think this sport is a fake again."

So the announcer ordered the cameraman to keep the camera rolling, and as Dr. Schwartz tried to assist Rivera, Maganya held a microphone near his mouth and asked him to describe what he was doing.

"I've stitched up hockey players and football players and wrestlers and boxers before," the doctor stated, "but never with cuts as bad as these and certainly never under these conditions. The cuts are deep. It seems as though he had a bottle or something like that broken over his head."

Rivera didn't really understand what was going on until Dr. Schwartz began sewing. Then, as he thought about what had happened, he got angrier. At first the announcer's microphone picked up only Victor's groans. But then the Americas champion began mumbling in Spanish.

The studio was a mess. The floor was covered with blood. Maganya's jacket was soaked with blood. Yet Rivera had a strange request.

"Please doctor," he pleaded. "Don't wipe off the blood. Leave it. If you can stitch me up without wiping off the blood—that's the way I want it."

It was a strange request but the doctor complied. The reason for the

"I'll kill him!" Rivera threatened. "He's a dead man!"

weird request was made obvious later. After the surgery was over, Victor asked the cameramen to zoom in on his bloody face.

"I want everybody to look at me," he said in a commanding voice. "Look at this. This is the kind of man John Tolos is! This is the way this maniac operates! Look at my face! Because the next time you see John Tolos I want you to remember what you're seeing now! The next time I meet John Tolos I will kill him! And what you're looking at tonight is why! This is my reason! This justifies anything I do to Tolos!"

The effect was stunning. Rivera

was working himself up into a rage. He was becoming incoherent. Dr. Schwartz ordered the cameras to stop rolling. "He is in a highly emotional state," the doctor confided. "I want to get him out of here and into a hospital where he can rest. Right now his mental condition is worse than his physical condition."

And that's how perhaps the most unusual TV interview in wrestling history ended. With a bloody, screaming Rivera being led away.

And no matter how the Rivera-Tolos feud ends, nobody who saw the interview that night will ever forget the horrifying sight! □

# You Can Pay Me Now Or... You Can Pay Howard Hughes Later... and you'll pay Hughes and his friends a helluva lot more!!!

If you ever intended to step inside a gambling casino then reading this book, **HOW TO WIN AT WEEKEND BLACKJACK** by Stanley Roberts, is a must. Your fortune, your ego and your personal welfare are at stake.

Howard Hughes, Barron Hilton, Del Webb and other casino owners have been taking money from the gambling public for years. Preying upon human frailties, emotions, inadequacies and plain ignorance, these tycoons have been separating people from their money... and making them like it. Yes, to most people who vacation at a gambling resort winning is only a faint hope. They expect to lose... and you can bet they do. But they don't have to!!!

Gambling Casinos make their money on games of CHANCE by paying LESS than the correct odds on EVERY bet you make. This is called the house "edge" or "vigorous". Unlike the other casino banked games, such as Craps, Roulette, Keno and the Slots, **Blackjack** or "21" is not a game of chance, but a game of SKILL. In spite of this the house still collects its edge in this game because better than 99% of those who play know very little about the game... even though many think that they do.

## EVERY CASINO IN THE WORLD— YOUR PRIVATE BANK ACCOUNT

A small group of skilled players has been carefully making withdrawals from the Blackjack tables around the world. Using the information presented in this book they have been building their bank-rolls at the expense of the other 99% of the players who are "casino marks", "suckers" if you will. These losers play "21" as if it were a game of chance... and it is, for them... and naturally they lose.

You can be one of the winners. Blackjack can be beaten by a skilled player. This information will make you one of the Best Blackjack Players in the World... and it's very easy to learn. Amaze your friends and family with your skills and new found wealth. Challenge and defeat the skeptics... they will beg you to teach them how. Let them play the role of the house and you'll clean them out... everytime.

## WHAT YOU WILL DISCOVER INSIDE THIS BOOK

- Where you can go... AROUND THE WORLD... to play this fascinating game at the casinos' expense.
- The rules and variations of Casino Blackjack... what are the differences in the game... why the object is NOT to get "21", but to BEAT THE DEALER!!!
- The Winning Strategy in simple form... no complex mathematics... no calculations to perform. Learn it in 2 hours or less. Just 24 simple rules summarized on ONE SHEET of paper.
- How multi-deck games vary from the single deck game... How you can beat them all.
- The all-important Art of Casino Play... why no system will do you any good if you are cheated or barred... How to know the inside secrets to avoid and

prevent these occurrences.

- The Casinos... where to play and where NOT to play.
- The Dealers... how and why they may cheat... how they cheat the house.
- Players who cheat and how they do it.
- Bankrolling your play... how much you need... where to get it...

A Super Bonus section on how to collect an additional \$50 per day FREE/EVERY DAY. These are but a few of the facts you will learn that will make YOU a WINNER every time you play.

## WE'LL MAKE YOU AN OFFER YOU CAN'T REFUSE

We are going to gamble on you and our book. The price of this book is \$20, but you can pay me \$10 now, and the additional from your winnings. What could be fairer! In other words send \$10, use the book, gamble with it, and after you win, after you prove the book to yourself, send me the additional \$10 and we'll call it even. I'm willing to gamble because I know you will win and I'll get my \$10 spot—it's that simple.

## WHAT PEOPLE ARE SAYING ABOUT THIS BOOK

"The newest and best book on the subject I've read. Used correctly it really works." **GAVIN MACLEOD, "Murray" of the Mary Tyler Moore Show** "I am 74 years young and terribly excited. Our senior citizens group has been going to Las Vegas for several years and no one ever won anything. What a marvelously exciting feeling to be a winner... all the girls were so thrilled they just won't stop asking me how I did it." **MRS. MAE W., Long Beach, CA.**

"I've tried all the other systems and they didn't work or I just couldn't use them. Who said nobody couldn't make an easy Blackjack system that works. They sure haven't seen yours do it." **J. P., Reno, Nev.** "Man-Oh-Man! I wish I'd read Stanley Roberts book a long time ago." **BILL HAYES, star of daytime television, "Days of Our Lives."** "Many of my friends in show business have earned fantastic fees for playing places like Las Vegas, only to lose most of it on the gambling tables. Thanks to this book, they can not only save their fees, but get their losses back, WITH INTEREST! I wish everyone who plays Vegas reads this book." **ALDO RAY, star of stage, screen and television** "The last two summers in Reno with the Army Reserve I sure lost a bundle. This summer was different. I made over twenty times the cost of the book in two weeks of casual, after hours, play." **MAJOR JOHN P., Granada Hills, CA.**

"The most concise and easiest to understand book on the subject I've read. If you've liked playing Blackjack before, you'll love it now." **JED ALLEN, Host of TV's Celebrity Bowling.**

## ABOUT THE AUTHOR

The author, Stanley Roberts, is a licensed Architect, Real Estate Broker and a City Planning Consultant. With the aid of a computer, he figured out how to beat the tables in Las Vegas to raise the capital to build his own buildings. Now, successfully engaged in three businesses, which earn several times the \$500/day practical limit for a professional Blackjack player, he has released his secrets for the general public's use.

He has been barred from playing "21" in several casinos in Nevada. Well known casino owners Howard Hughes, Barron Hilton, Major Riddle, Benny Binion, Sam Boyd and Del Webb have refused him play when challenged publicly to a \$3000 match game... in their casinos, according to their rules. The same game that any person walking into the casino receives. These owners know that he could own their casinos within a year if they would permit him to play.

Mounting public interest in the book has resulted in numerous Radio and Television appearances by the author including: **To Tell The Truth** with Gary Moore, **Midday Live**—NY with Lee Leonard and Billy Eckstine, **The Joe Franklin Show**—NY, **Ralph Story's AM**—Los Angeles, **Target** with Regis Philbin—Los Angeles, **The Joe Delaney Show**—Las Vegas, **The Helen Estrada Show**—Las Vegas and many more.
